INTRODUCTION

eFiling 3.0 is an upgraded version of its older form (eFiling 2.0) designed and launched by the Supreme Court of India to enable advocates and parties to file their cases and case related documents before the Supreme Court of India in electronic mode with greater ease and comfort. Introduction of the new version of e-filing is aimed at taking paperless filing to the next level while saving cost and time with the objective of improving process management through use of technology.

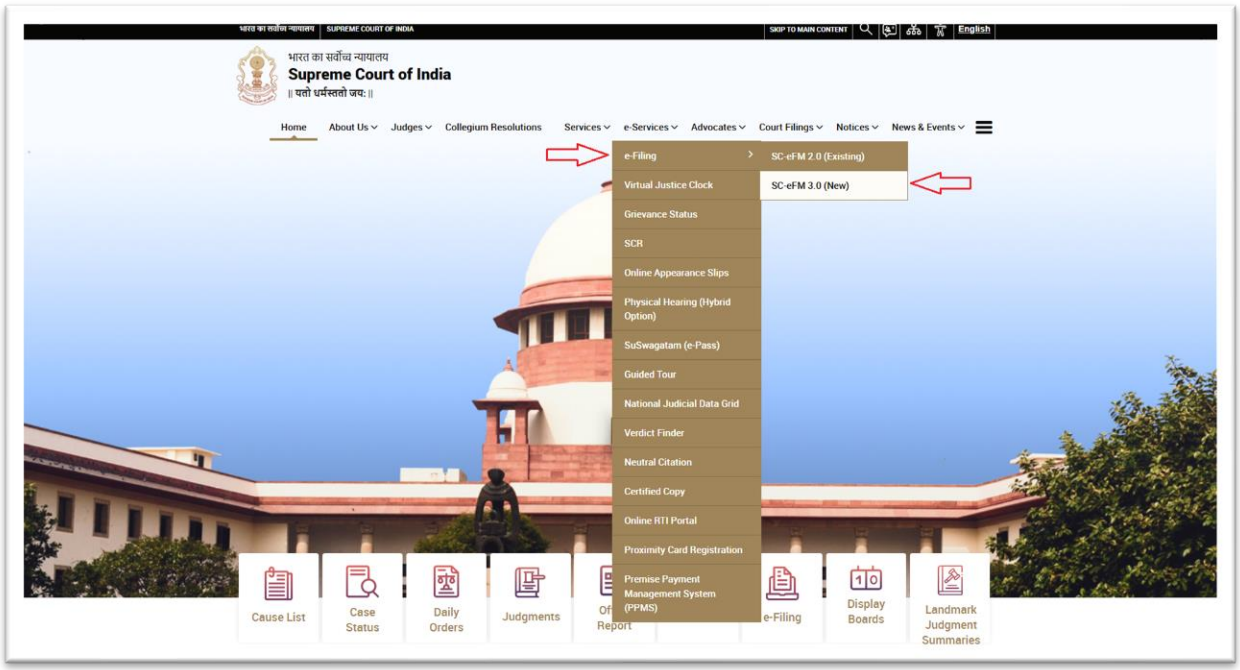

ACCESSING E-FILING PORTAL

In order to access the new e-filing system please follow any one of the methods mentioned below:

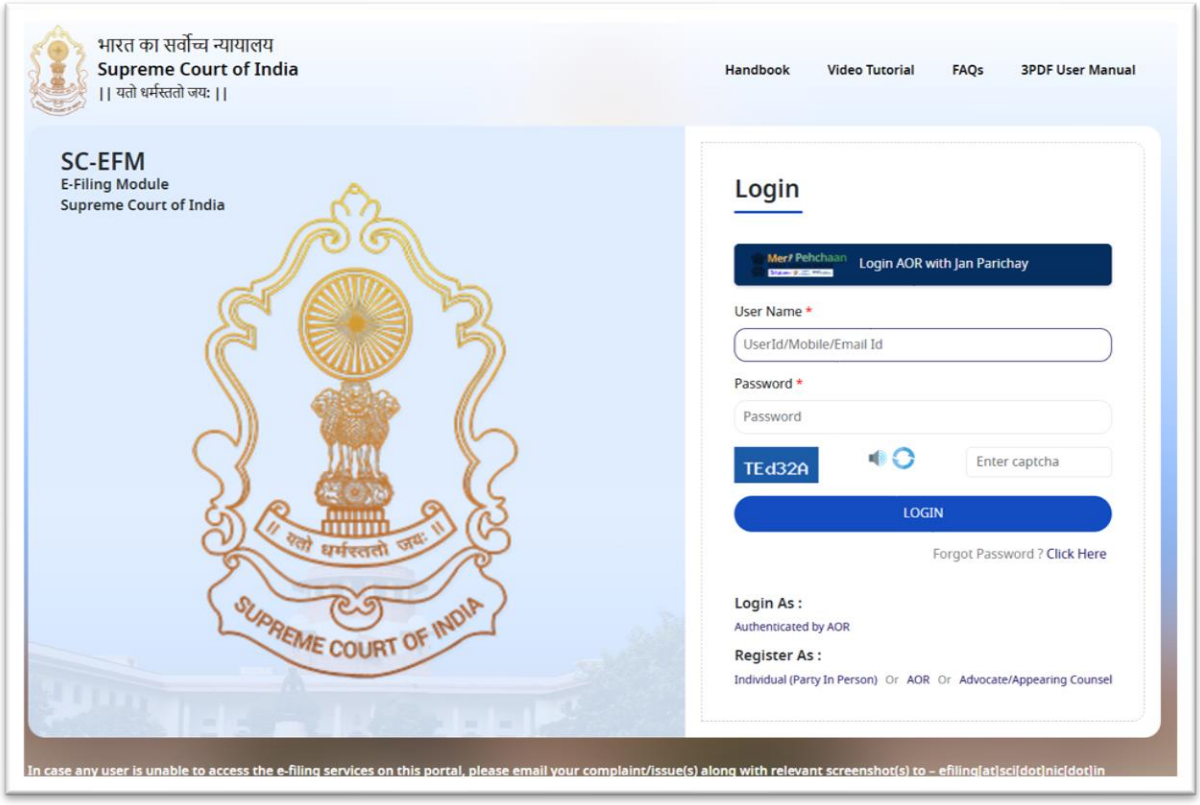

a. Type the website address https://efiling3.sci.gov.in in the address bar of your web browser (Chrome, Mozilla Firefox etc.).

or

b. Visit the website of the Supreme Court of India at www.sci.gov.in and under the E-Services tab, select or click E-Filing 3.0.

c. The Home page of the new e-filing system shall display the Login screen. Enter the Login credentials to login into the SCeFM3.0.

***

USER REGISTRATION

Every Advocate-on-Record (AOR) or Party in Person (PIP) desirous of using the new e- Filing Portal needs to register in the portal by providing necessary details.

How to Register as an AOR?

If the details of the AOR are already available with the Registry then such AOR is only required to create a new password in the new efiling Portal by taking the following steps:

1. On the login page, click on forgot password option;
2. Enter your registered mobile number, enter captcha and then click on send OTP button.
3. OTP will be sent on your registered mobile number;
4. Enter the OTP and click 'verify' button
5. Create new password

Once new password is set, the AOR can login by using his AOR code or registered mobile number or registered email id along with the new password.

The registration of an Advocate-on-Record (AOR) is generated automatically in SC-eFM once the AOR's details are updated in the Supreme Court records.

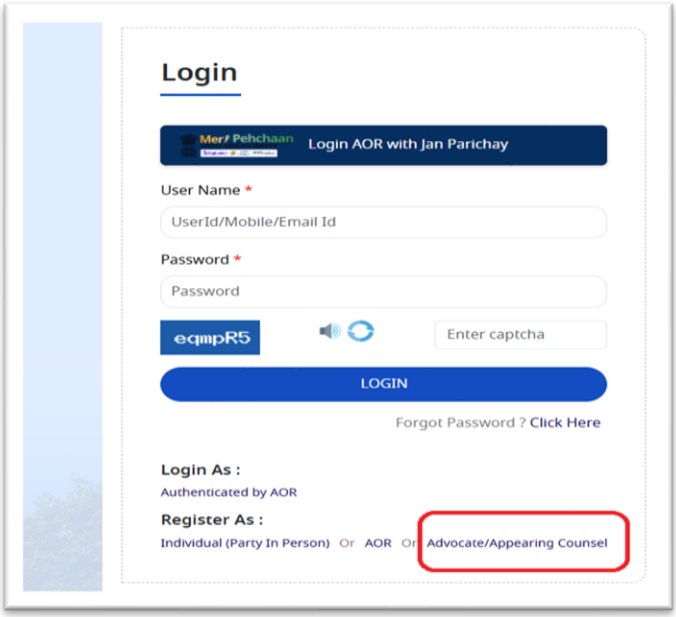

How to register as an Amicus Curiae

Upon appointment of an Amicus Curiae by the Hon'ble Court in a matter, the registration of the Amicus Curiae e-filing profile in SC-eFM is generated automatically after the details of the Amicus Curiae are updated in the Supreme Court records.

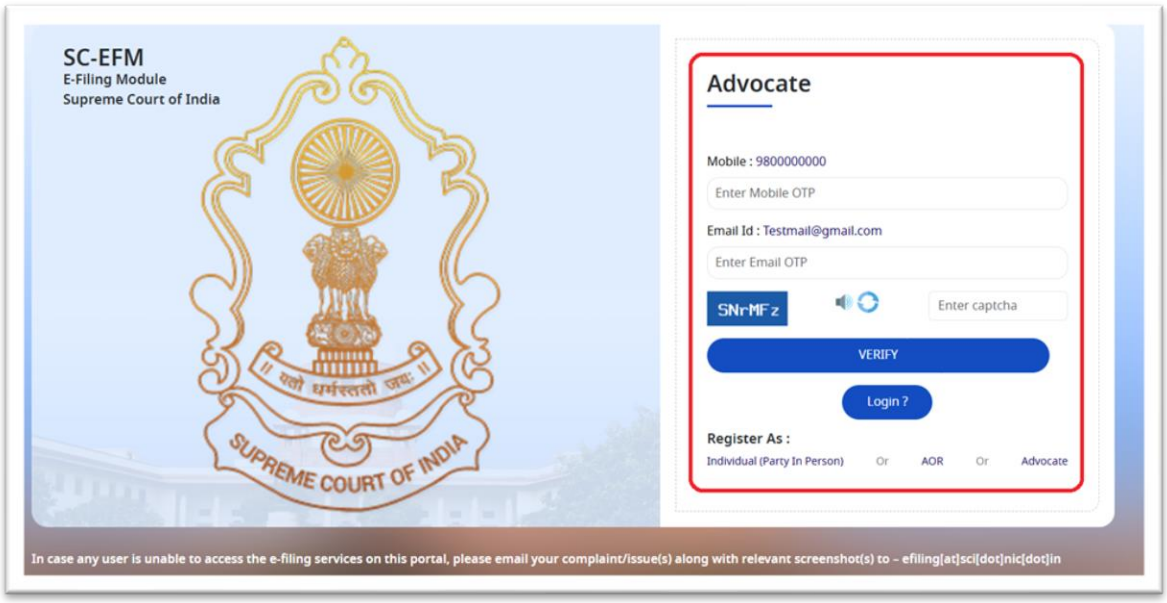

How to register as an Advocate

1. To register as Advocate Select Advocate/Appearing Counsel under the

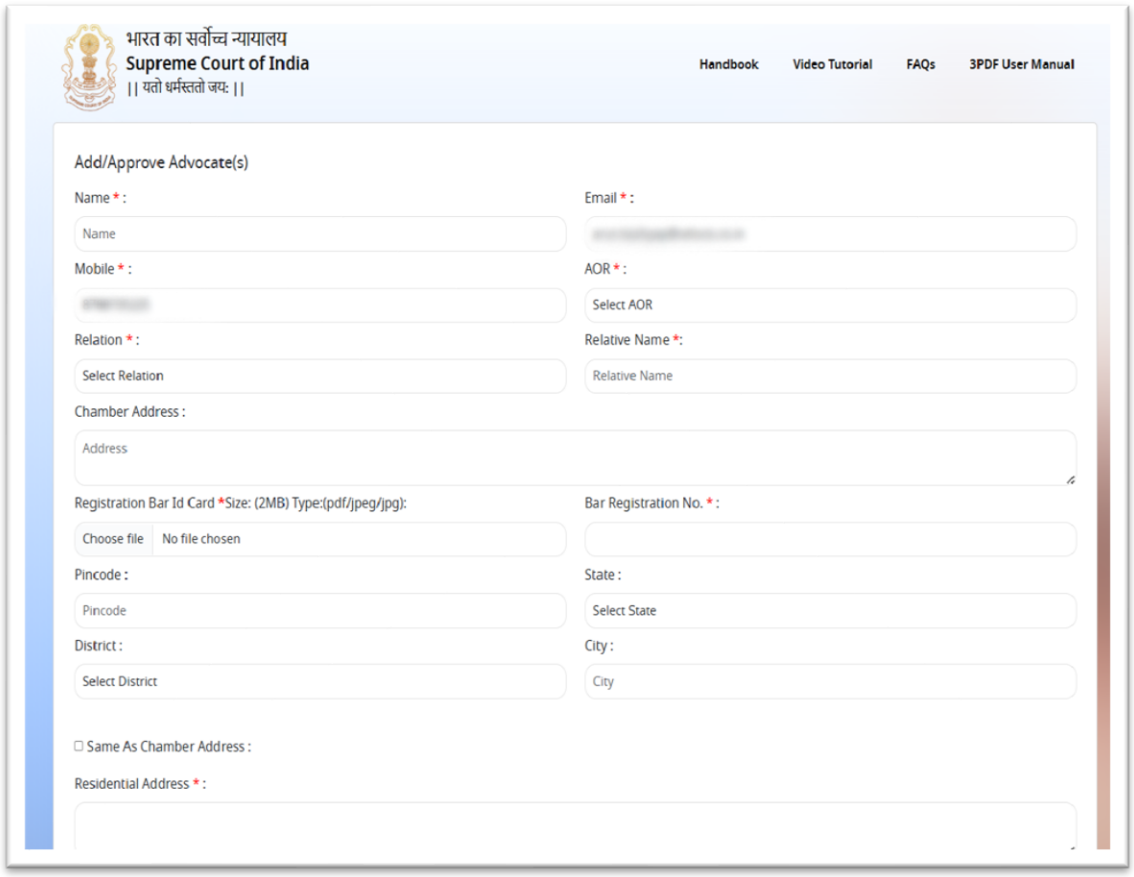

'Register as' option in the home/ login page.

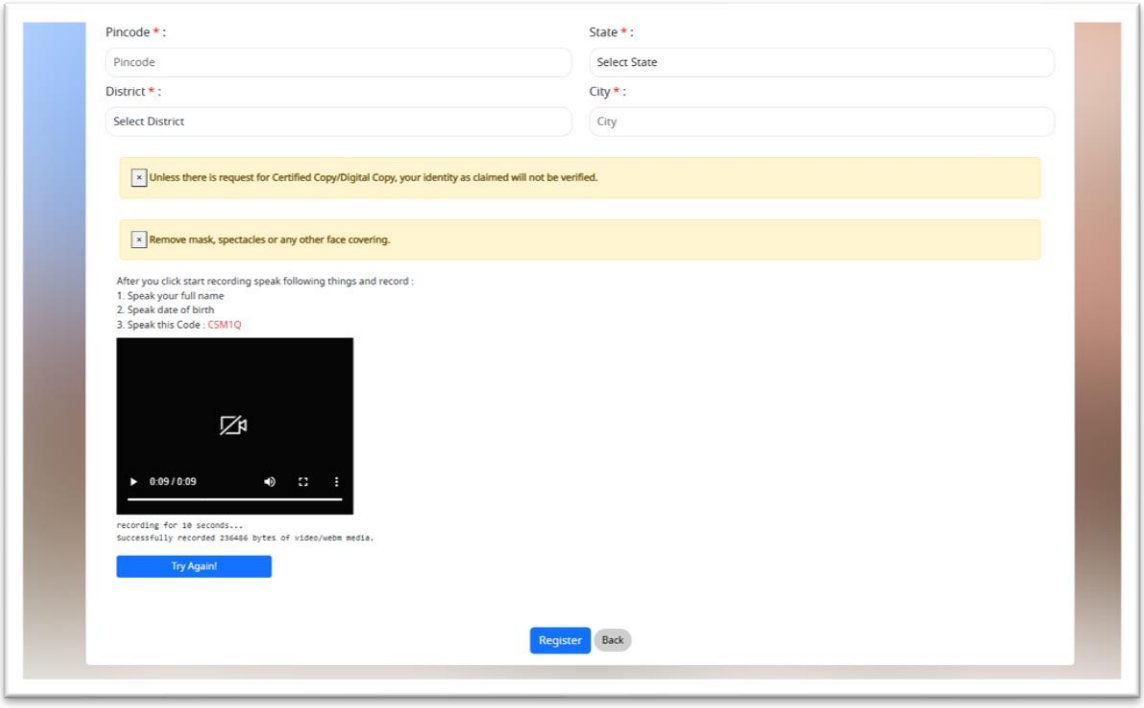

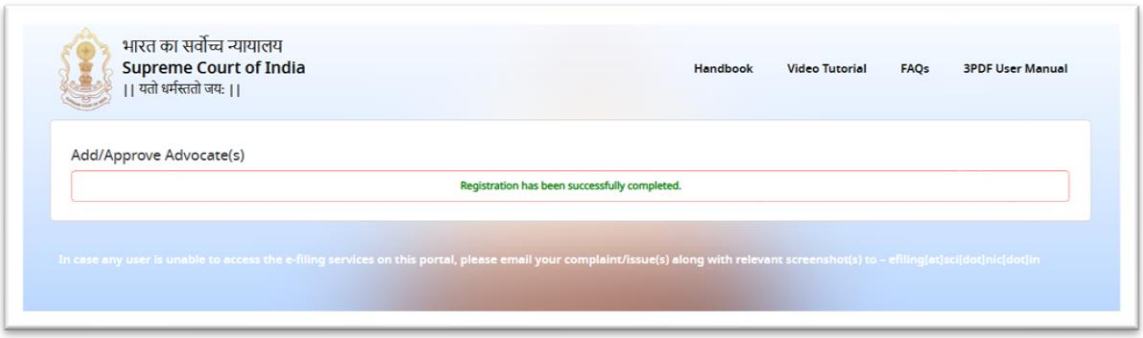

2. Then in the next page, enter registered mobile number and e-mail ID followed by captcha and then click on 'Send OTP' option.

3. Enter the OTPs received on the registered mobile number and registered e-mail id and click 'Verify' option. If the OTPs are correct then you will see a message "OTP Verification Successful" on the screen.
4. In the same page, enter the required personal details as shown in the image below.
   Please follow the instructions mentioned in the page while uploading picture / id proof.
5. For verification purpose you are required to upload your id proof /record video and click on Register button.

6. After successful registration as an Advocate, the Advocate-on-Record (AoR) whose name was mentioned at the time of registration must log in to his/her e-filing profile and verify the details under the 'Add Advocate' tab by selecting the 'Add/Approve' option available under the hamburger menu on the left side of the AoR's e-filing dashboard. Once the AoR approves the request, the user will receive a login ID and a one-time password (OTP) on the registered email ID.

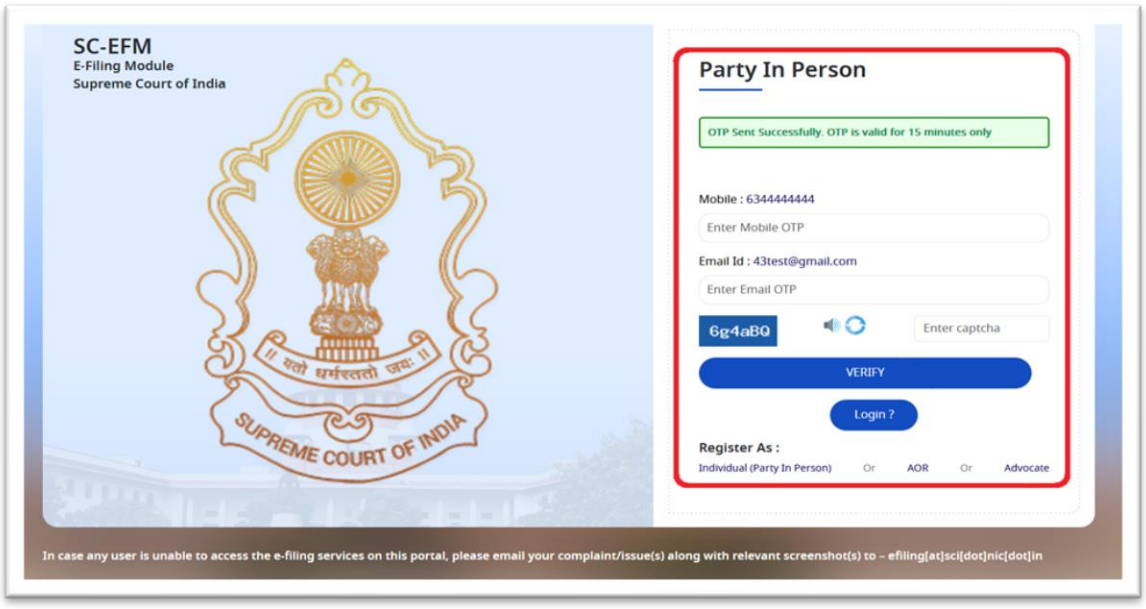

How to Register as a Party-In-Person (Offline mode)

1. To register as Party-in-person Select Individual (Party-in-Person) under the

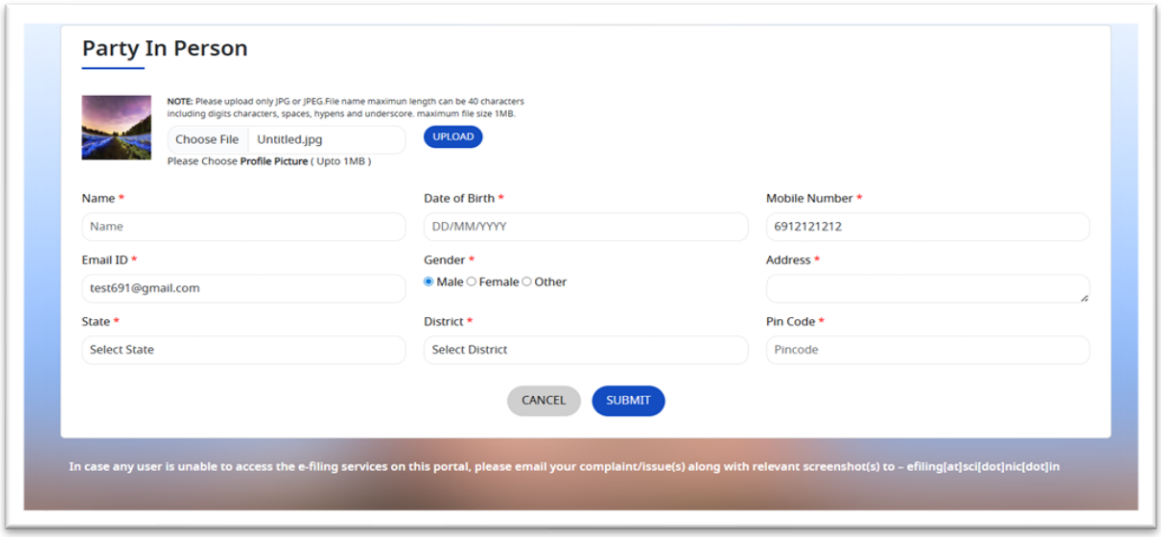

'Register as' option in the home/ login page.

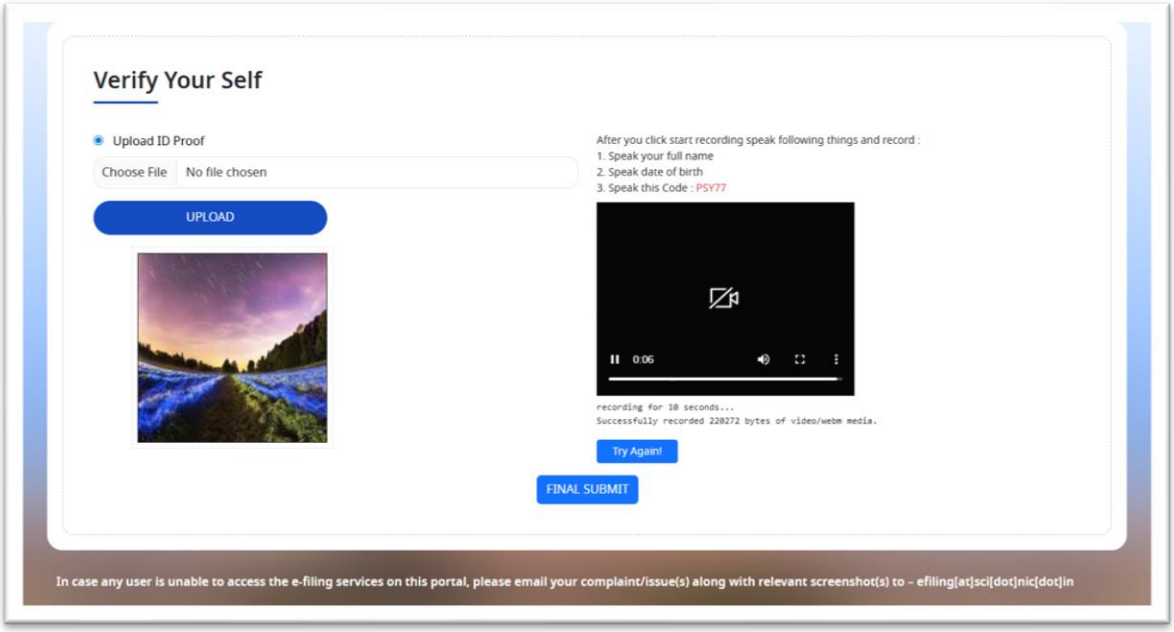

2. Then in the next page, select 'Offline' option. Thereafter in the same page, enter registered mobile number and e-mail ID followed by captcha and then click on 'Send OTP' option.

3. Enter the OTPs received on the registered mobile number and registered e-mail id and click 'Verify' option. If the OTPs are correct then you will see a message "OTP Verification Successful" on the screen.
4. In the same page, enter the required personal details as shown in the image below and click on 'Submit'. Please follow the instructions mentioned in the page while uploading picture / id proof.

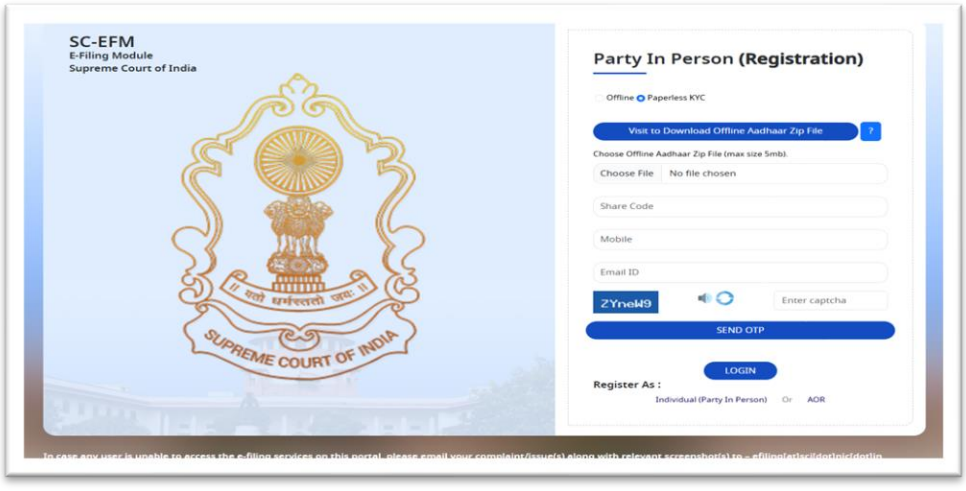

5. For verification purpose you are required to upload your id proof and click on the 'Final Submit' button. If your verification is proper then your registration as a PIP will be successful.
6. User will be notified about login credentials by email and SMS.

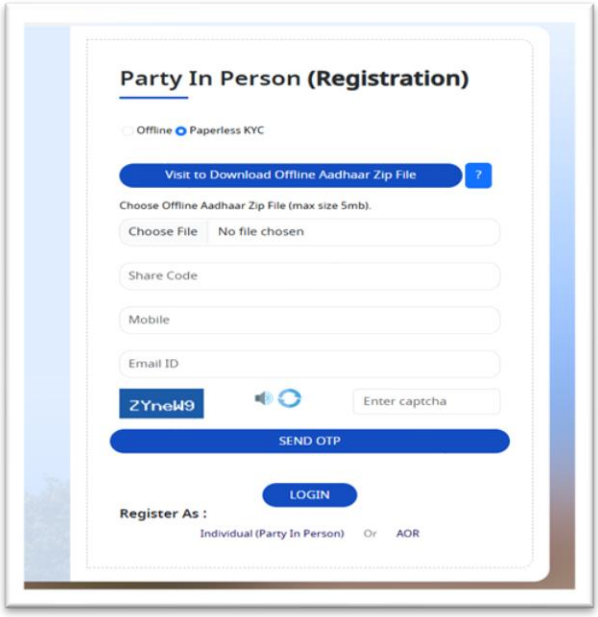

Registration as a Party in Person (Paperless KYC mode)

Select Individual (Party-in-Person) under the 'Register as' option in the home/ login page. Then select 'Paperless KYC' mode. Thereafter, registration screen changes

1. Click on the option 'Visit to download offline Aadhaar Zip File'.
2. The user should follow instructions in the Aadhaar website to download the Aadhaar ZIP file.

3. This zip file needs to be uploaded on registration screen. Users can easily identify this link. Where it is specifically mentioned “Choose offline Aadhaar zip file (max size 5mb). There is a button “Choose File” which on click asks user to locate recently downloaded zip file.
4. On successful upload user needs to enter the four-digit share code given to open this file. Users also need to enter his mobile number and email ID. On successful submission of this request, the user will receive OTP request on his mail ID and mobile.
5. On verification of both the OTP received, all the information received in the zip file is accepted as correct information, which user is not allowed to change. In this process there is no need for the user to upload his photograph or proof of identity.
6. The information provided in zip file by Aadhaar Authority is accepted as proof of his identity.
7. After that the User shall be able login and access his e-filing account.

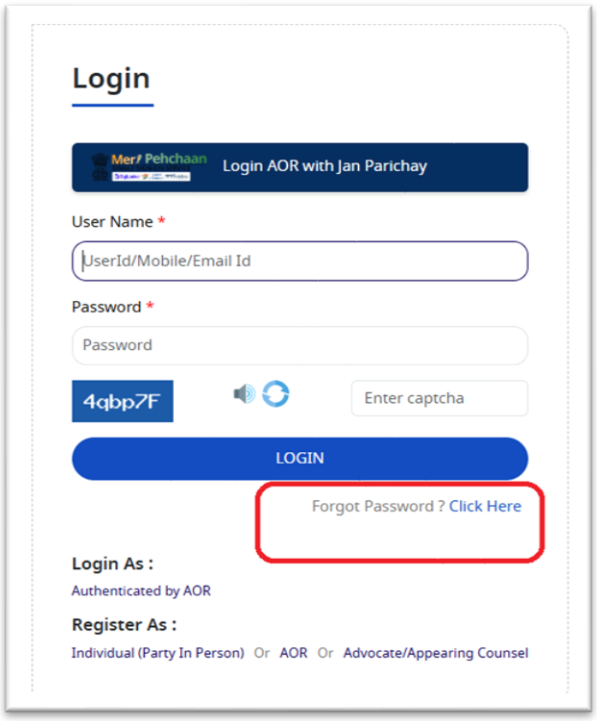

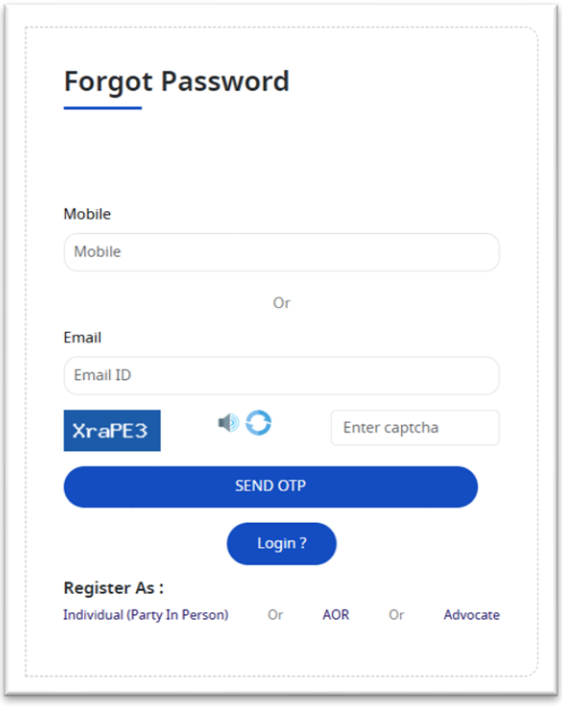

Forgot Password

In case a registered user forgets his password, the same can be retrieved by clicking on ‘Forgot password?’ link provided on Login screen which is first screen that shows when a User accesses the website of e-filing system at https://efiling3.sci.gov.in clicking on Forgot password option opens a Forgot password screen.

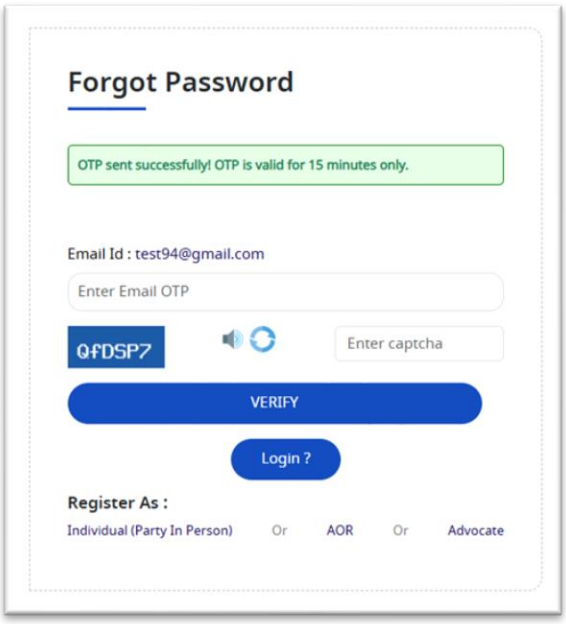

A User is required to fill the registered email id or registered mobile number and enter

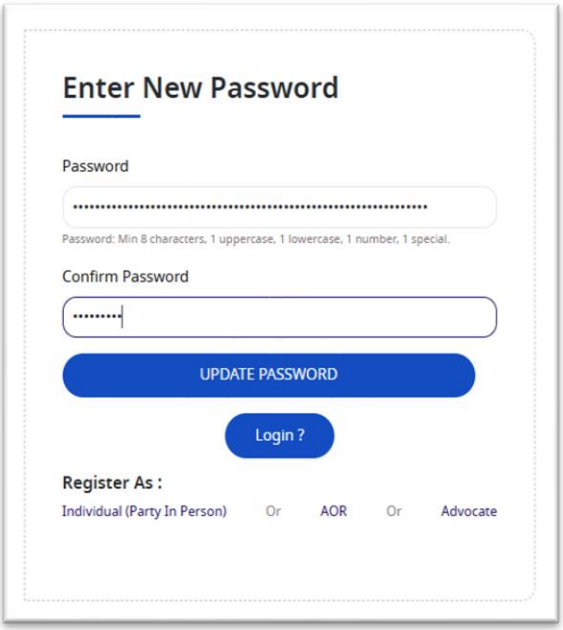

captcha code shown and press the ‘Get OTP’ option.

On pressing Get OTP, a new screen is displayed wherein a User is requested to Enter OTP number received by him on e-mail/mobile filled by user on the 'FORGOT PASSWORD' screen. User can then change his password and confirm the same by entering a new password in fields. User then types the captcha code and presses 'Change Password' Option to complete the process of changing his password.

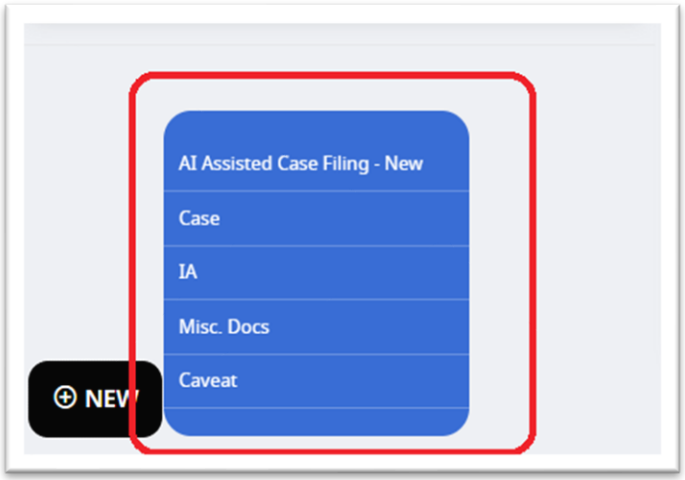

How to e-file:

New Case

For filing a new case click on +NEW button and select the 'case' option from the drop-down list.

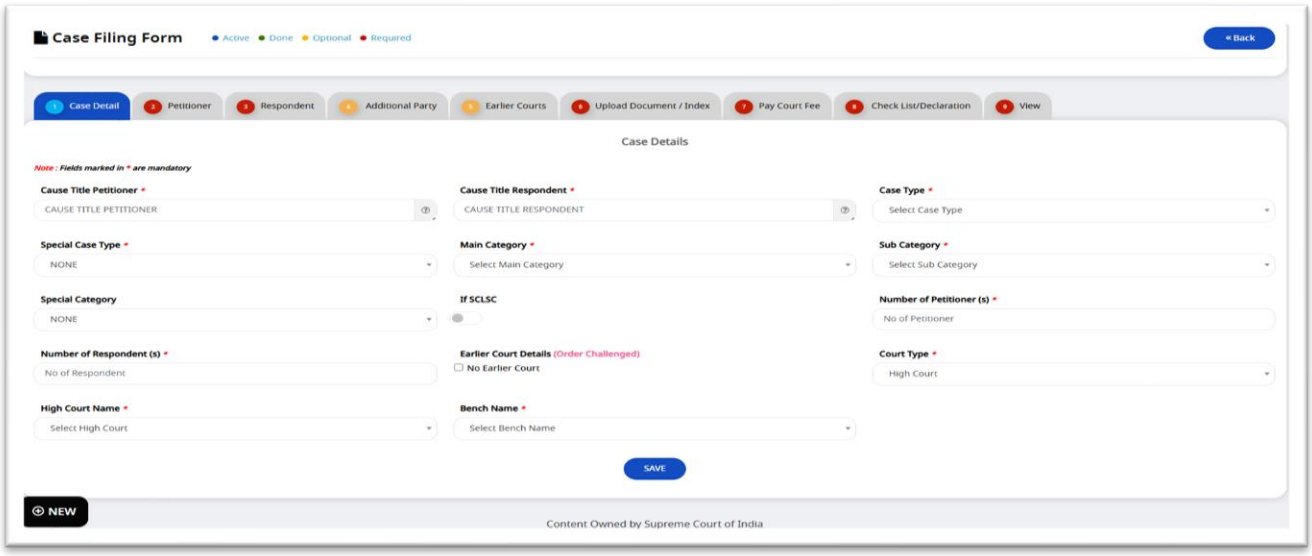

The user will be directed to first of eight pages/tabs viz. Case Detail, Petitioner, Respondent, Additional Party Earlier Courts, Upload Document/Index, Pay Court Fee, Check List / Declaration.

The user has to fill in each page with the required details. The fields marked with red asterisk (*) shall be mandatory.

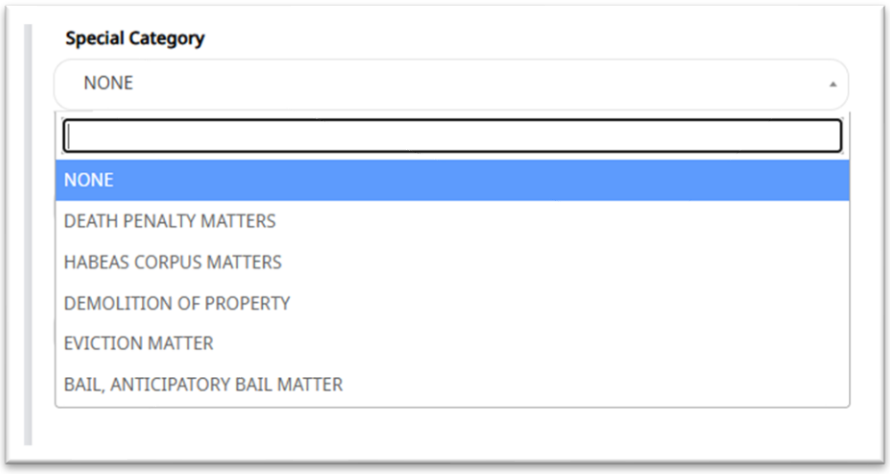

1. Case Detail

If no earlier Court's Order is challenged, then the User may select "No Earlier Court" option which by default selects Supreme Court as "Court Type".

If case belongs to Special category viz., Death Penalty Matters, Habeas Corpus Matters, Matters related to Demolition of Property, Eviction Matters or Bail Matters then the User may select the appropriate category in Special Category dropdown menu. By default, 'None' will be selected

The 'Special Category' options as displayed in the screenshot below for ready reference:

Once the User is done with entering information under this head, first click

'SAVE'.

On click User receives a success notification and 'NEXT' button becomes

visible and the 'SAVE' button will change to UPDATE.

If User changes any of the information in that event, he or she needs to click UPDATE

A draft e-filing number gets generated and displayed on screen on clicking the UPDATE button, DRAFT-EC-SCIN01- -YYYY in Red Color is highlighted and provision is also provided to the User to Copy the said draft number so generated.

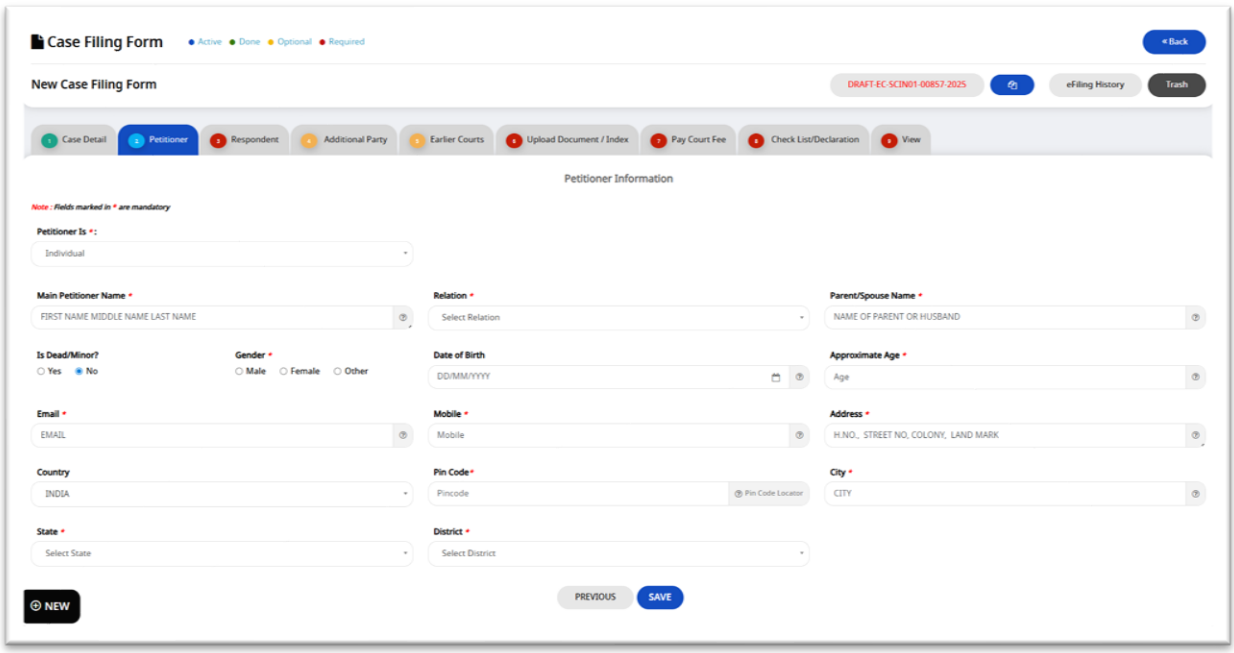

2. Petitioner Information

If Petitioner is an Individual - In Petitioner form under Filing Form; the requisite details about the Main Petitioner (Petitioner who is first in order in the cause title of the parties consisting multiple petitioners) are required to be filled by a user. The fields marked with red asterisk (*) are mandatory (including Mobile and e-mail of the Petitioner).

Please ensure that while writing name of the petitioner's full name is entered. It is always a good practice to enter email ID and mobile number of petitioners.

Please enter all necessary details in the page accurately.

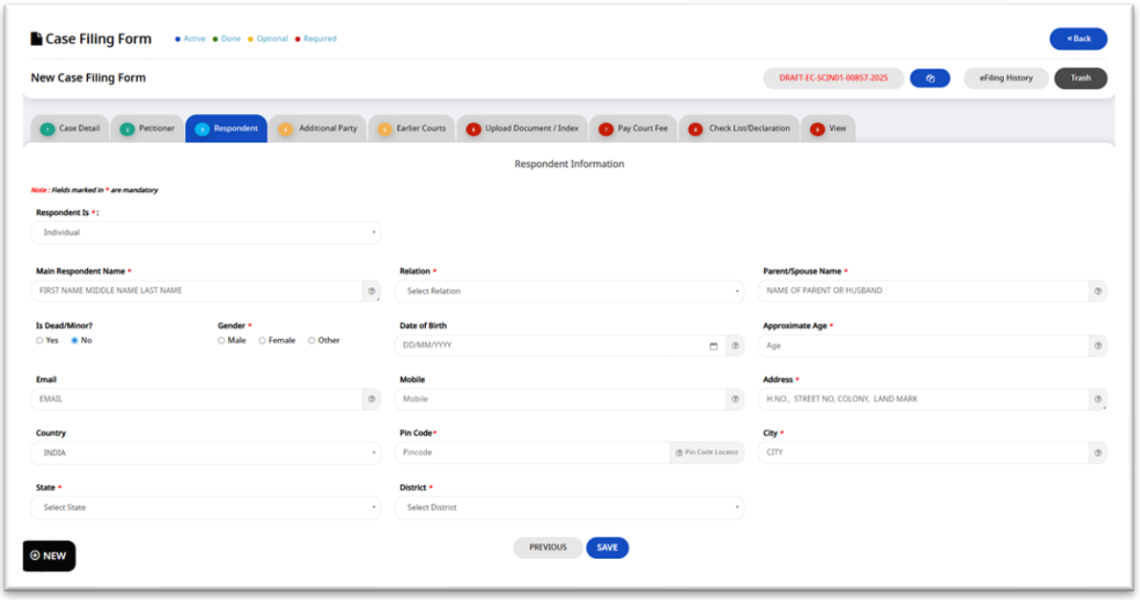

If the Petitioner is an Organization - Mostly Petitioner will be a living natural person therefore by default 'petitioner is an Individual' is kept selected. However, if Petitioner is a State Government or the Central Government or Other Organizations, in that event User may have to select appropriate choice.

- Pin Code: The User can either manually enter the Pin Code or can use Pin Code Locator facility by accessing the same, the User is taken to "https://www.indiapost.gov.in/vas/pages/findpincode.aspx" URL for ascertaining the Pin Code of the address above-mentioned.
- A user can also fill in the details between various tabs in the Filing Form, without clicking 'Save'
- button, but all the data thus entered may get lost if the current session ends/expire, or any
- Another option is selected by the user, hence, the best practice is to keep on saving data at regular intervals, to prevent data loss.
- A user can access other tabs, by clicking on their respective tabs, or by clicking 'Next' to access the next option.

3. Respondent Details

The respondent form is similar to the petitioner form.

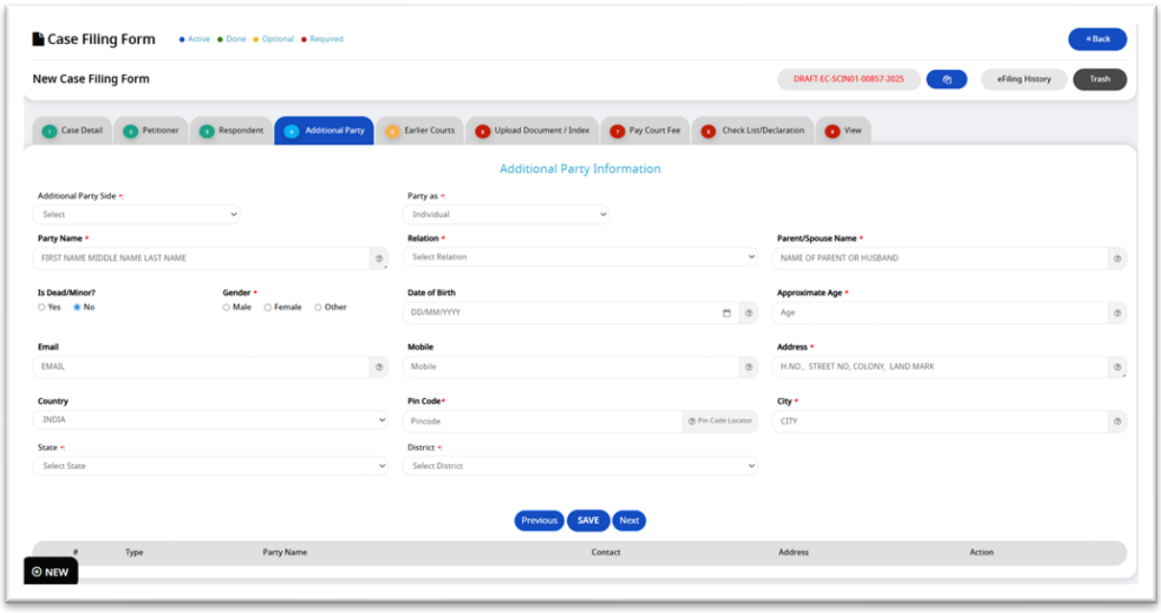

Fill up all the details relating to the respondent and click “SAVE” and then “NEXT”.

Pressing previous button takes a user back to PETITIONER tab and pressing next takes user to next page.

4. Additional Party

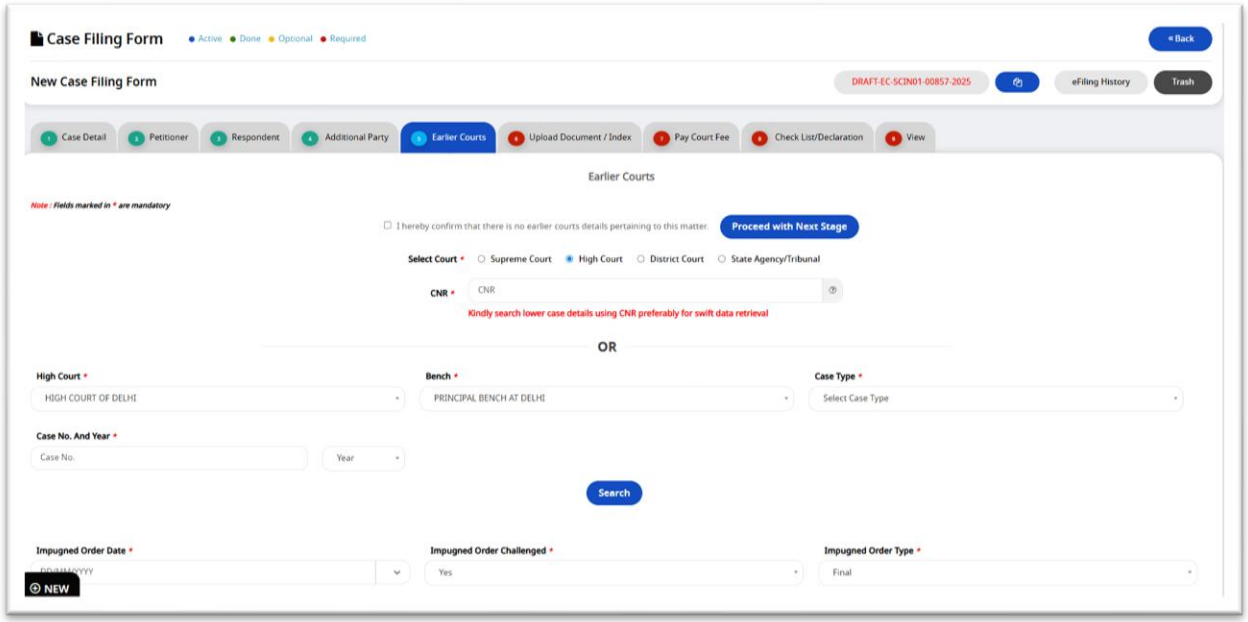

In the Additional Party’s section, users can add the remaining extra parties

(e.g., if 2 petitioners and 3 respondents are required in total but 1 petitioner and 1 respondent have already been added in the previous section, the user must now include the remaining 1 petitioner and 2 respondents).

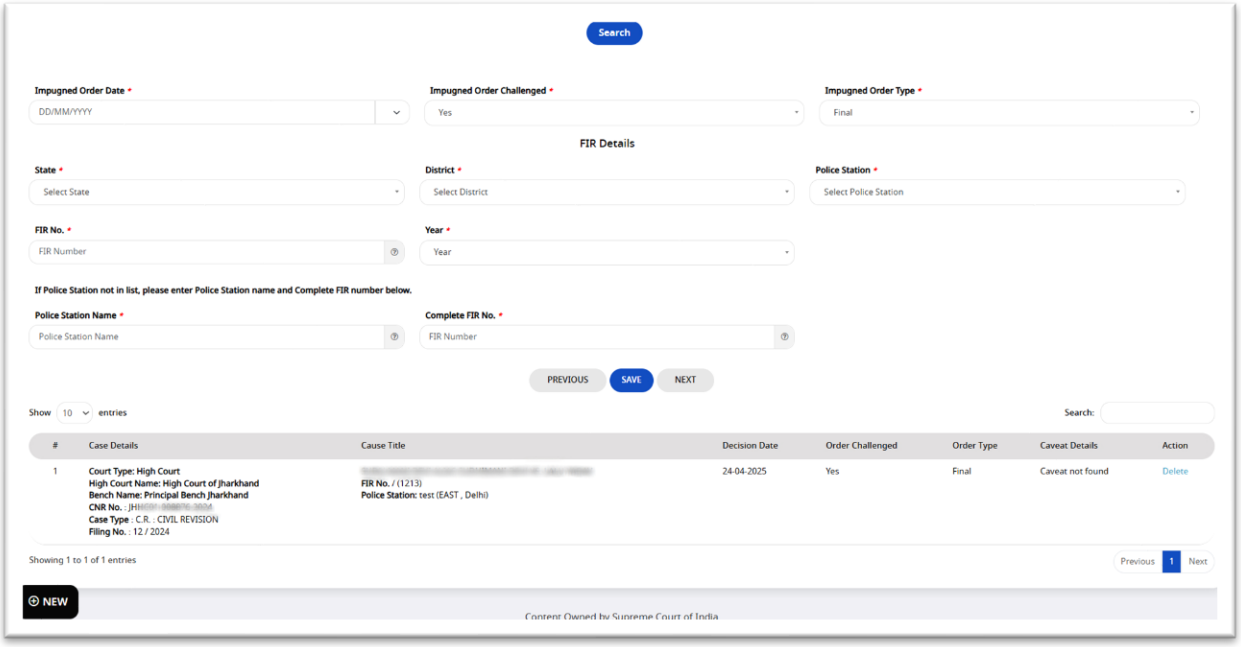

5. Earlier Courts

Users will notice four options viz. Supreme Court, High Court, District Court and State Agency/Tribunal on the top of the screen. Users need to select appropriate option out of these and enter details as per page requirement.

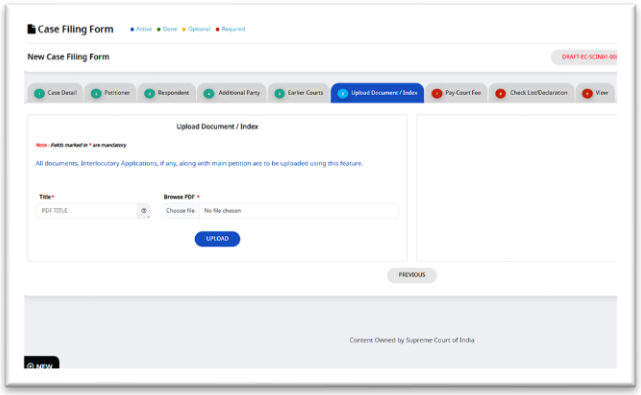

After selection of your order date and order type is complete, do not forget to click SAVE. Immediately after saving, you will notice that at the bottom of your screen (scroll down further till end) your impugned case details are saved. Now you can add District Court case if required. You can add multiple cases if required. All such selected and searched cases are added at the bottom of the page which can always be edited or deleted before you finally submit your e- filed case for scrutiny.

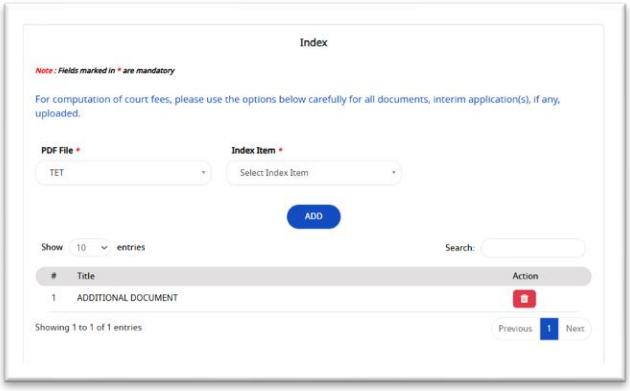

6. Upload Documents/Index

After filling in all the forms provided for filing new case, users can upload the relevant file in

'Upload Documents' screen.

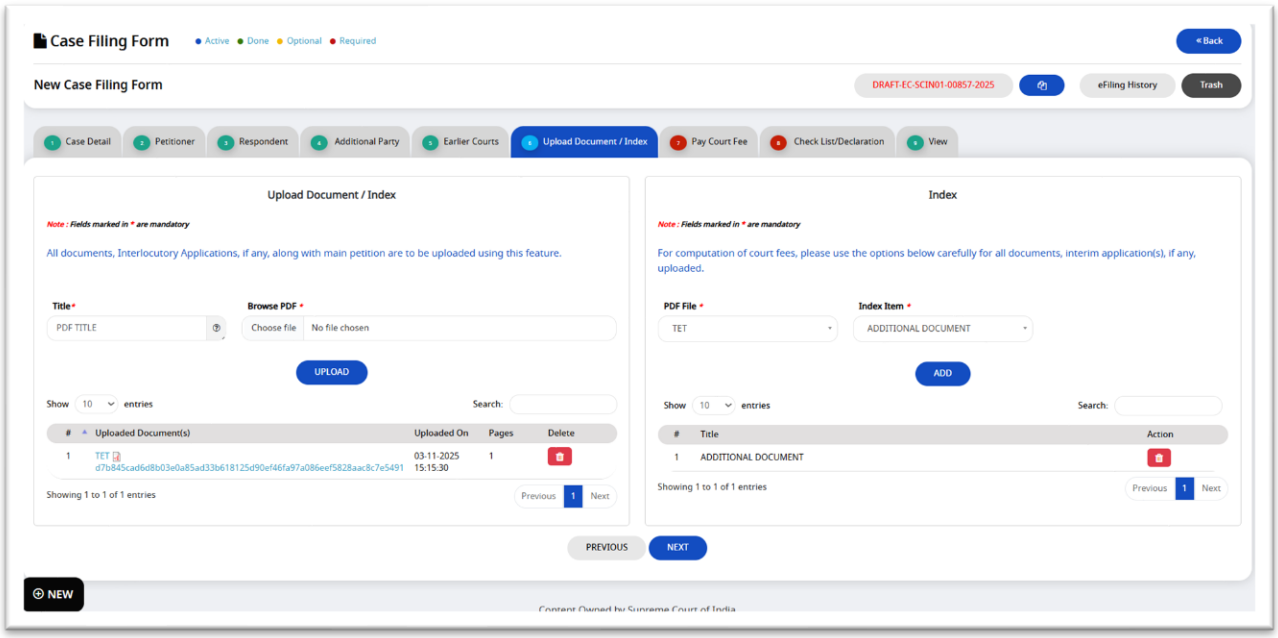

- User needs to ensure that if the document is typed, it is converted to PDF by export to PDF facilities provided in different word or document processors. If there are constraints in such cases only option of scanning needs to be employed. While scanning any document it is necessary to keep in mind OCR enabled scanning is must.
- Second aspect is arranging files in chronological order. If the file is not arranged in chronological order, User may face difficulties while indexing the file. Therefore, User need to first arrange files, documents, affidavits in chronological order to form one PDF file. User can also upload multiple PDF files. First give some title to the PDF file to be uploaded. Generally, while giving title keep in mind identification of the file by name of party, subject, place or other elements. Ensure that files names of pdf files, stored in your PC, to be uploaded are given simple names without use of special characters. This will avoid unnecessary iterations.
- As you go on uploading different parts of file by giving suitable names of PDF files, details of uploaded files are reflected at the bottom of screen in the form quick reference table. (scroll down at the bottom). You will find that hash value of the pdf file is captured and recorded for future authenticity, verification and security purposes. User can at any time delete the uploaded document, before using the same for indexing purposes.

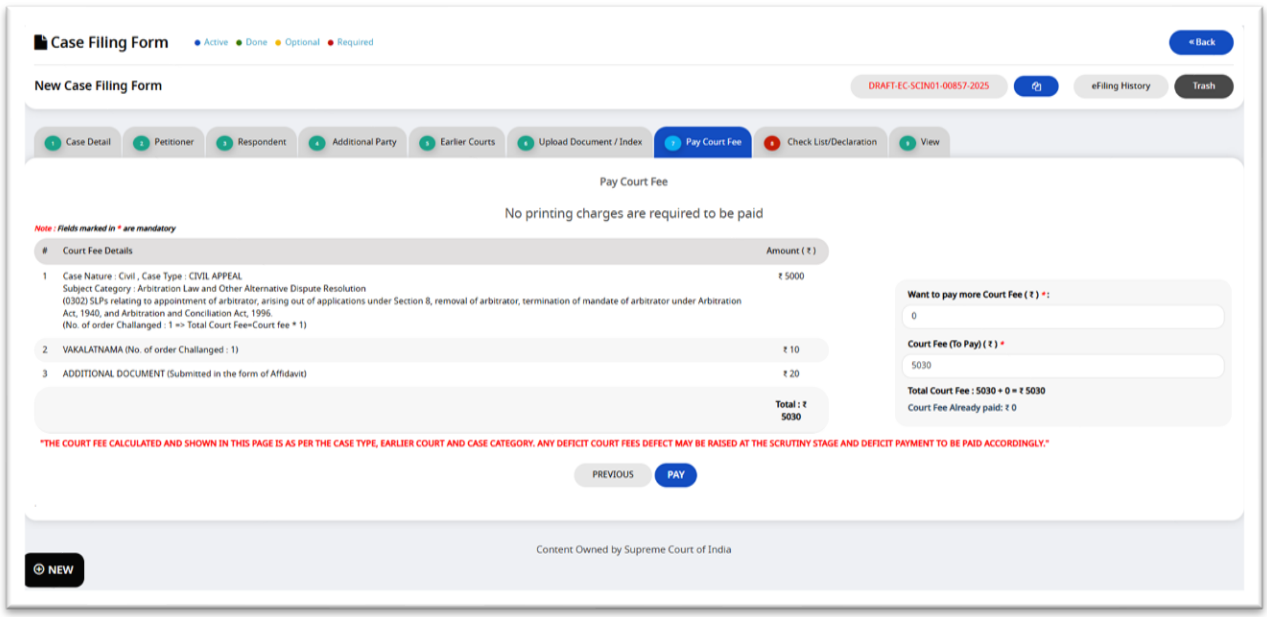

Upon successful upload, document name, along with its hash value and number of pages is reflected at the bottom of page.

A user can delete the uploaded document by pressing 'delete' option at the 'Action' tab.

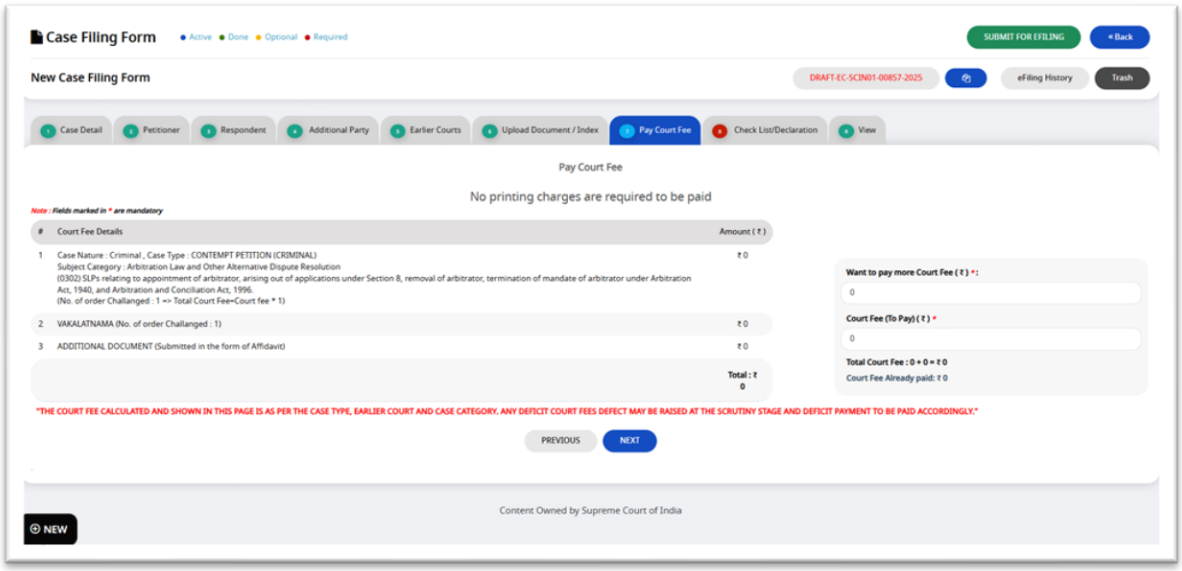

7. Pay eCourt fee

User can then click on Pay Court Fee option and pay applicable fees in any of the preferred online payment modes. Once payment is successful, the payment status will reflect in a table below the 'Previous' / 'Next' buttons of the Pay Court Fee page.

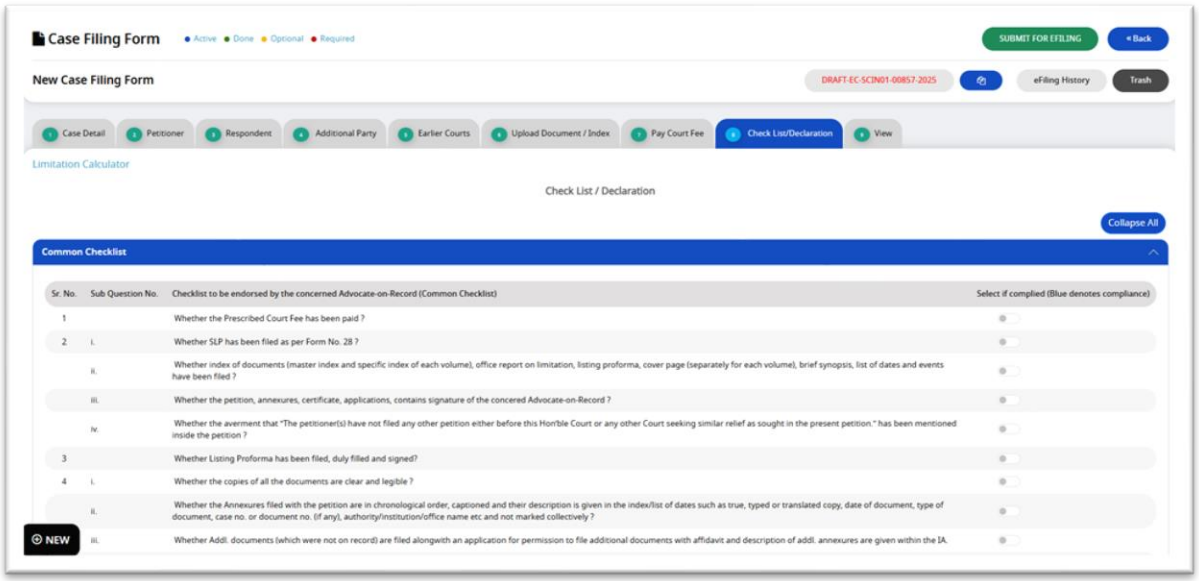

- User is redirected to the online payment facility of the Stock Holding Corporation Ltd. After user is redirected to payment gateway page of the Stock Holding Corporation, user is required to select mode of payment and agree to the terms and conditions. After this, user is taken payment gateway for giving details of debit card, credit card or UPI.

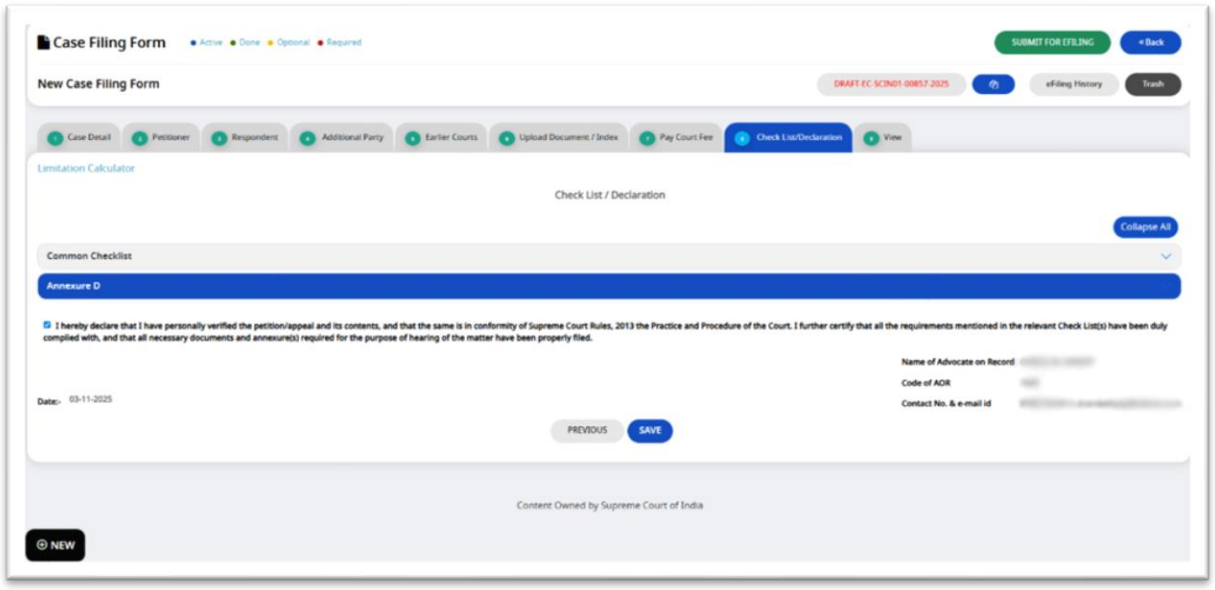

- User can also choose Net Banking option. Once payment is successfully completed or it gets failed, in both the contingencies, User is brought back to the e-filing portal. In the event payment is successful, success alert message will appear on the screen.
- Receipt generated after payment can be saved on PC or other device used.
- Apart from this receipt, on the E payment tab, on the bottom portion of the screen, User can see the details of payment along with transaction ID and status of the payment.
- After successful payment, the User needs to click the Next Button.

8. Check List / Declaration

In the Checklist / Declaration section, based on the case type selected on the Case Details page, the user needs to select and mark the applicable options from the common checklist questionnaire (derived from the selected case type) and from Annexure D.

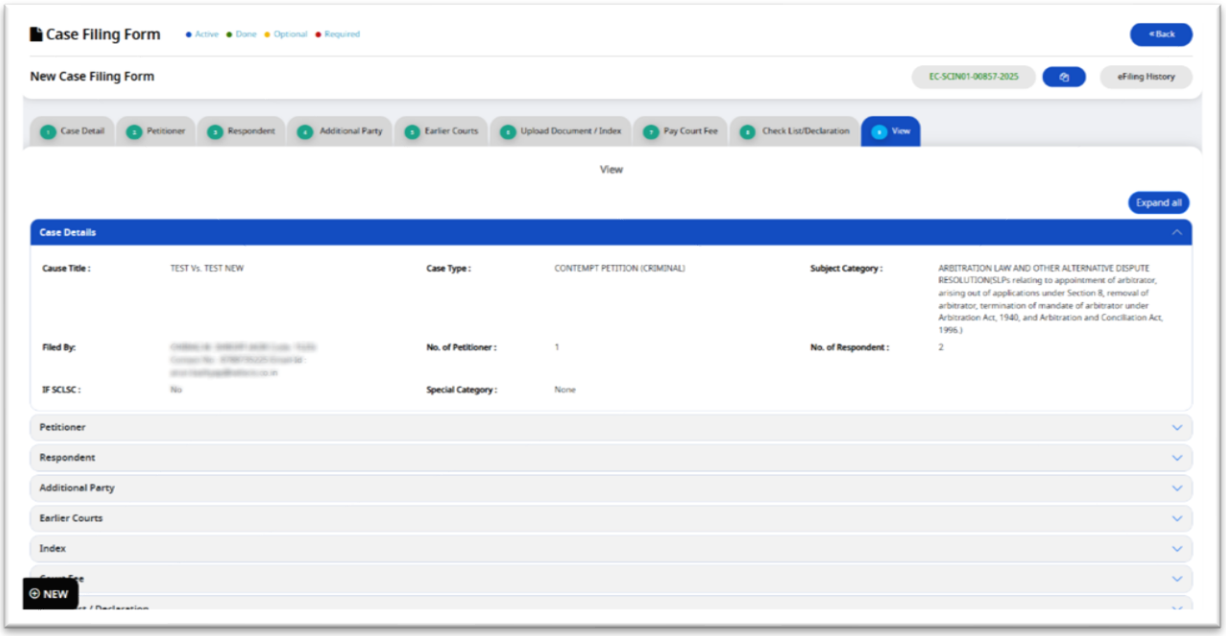

9. View

Now the user will be taken to 'View' page where all details of the e-filed case shall be reflected.

Now the user can click the 'SUBMIT FOR E-FILING' option at the top right portion of the page.

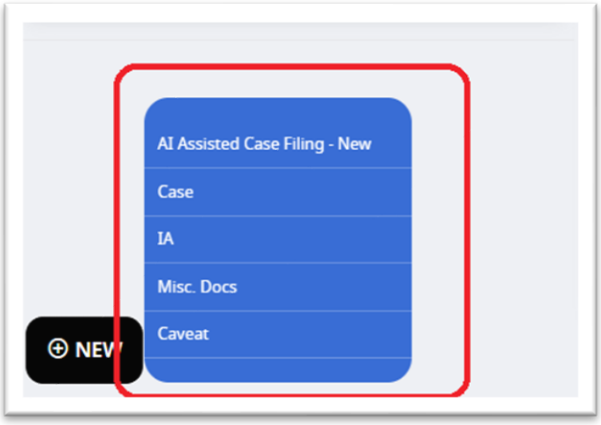

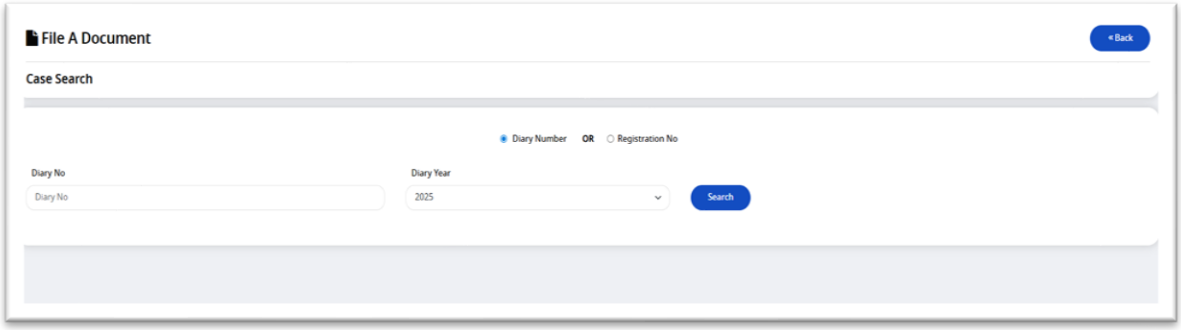

Upon confirming completion of the process by clicking 'OK' in dialogue box, the user can get the diary number. Sometimes, the diary number may not get generated immediately rather it can be seen after about 30 minutes by going to Home Page and then selecting the relevant e- filed case number among the list of e-filed cases.

Misc. Doc.

In case a user intends to e-file any document in an already filed case in the Supreme Court (both in cases where the case was e-filed or physically filed), it can be filed using this Misc Docs feature.

To do so, a User must click on 'Misc. Document' link after logging in to this facility from the dashboard screen's left panel. On clicking the New >> 'Misc. Documents' link, a new screen opens, the 'Case Search' page. The system will automatically cross-check registration information of an advocate to enable e-filing through the website.

1. A User is required to fill in the requisite details on the 'Search' section such as Dairy

Number or Registration Number of any case which is already pending in the Supreme Court and submit. User has to select either of the following two options: -

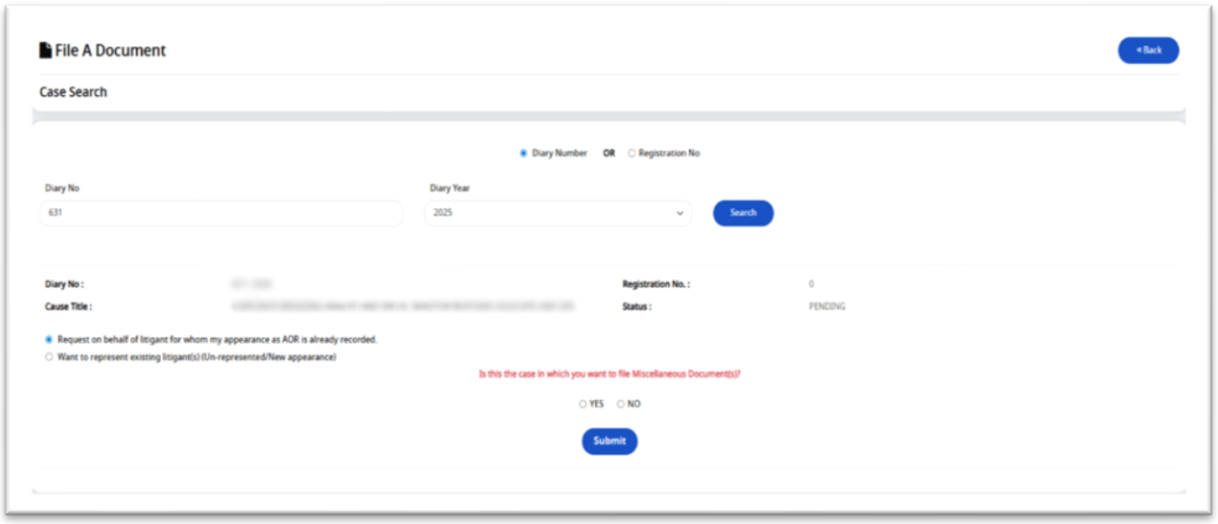

Request on behalf of litigant for whom my appearance as AOR is already recorded

OR

Want to represent existing litigant(s) (Un-represented/ New appearance)

2. Then confirm 'Yes'/'No' whether this is the case in which you want to file miscellaneous

document(s).

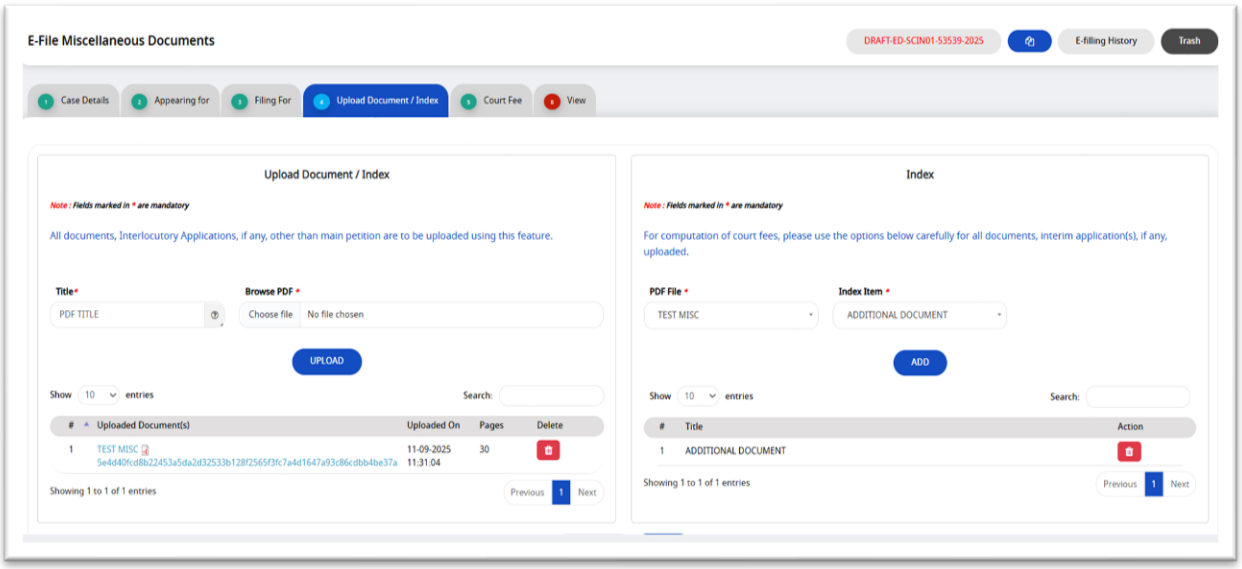

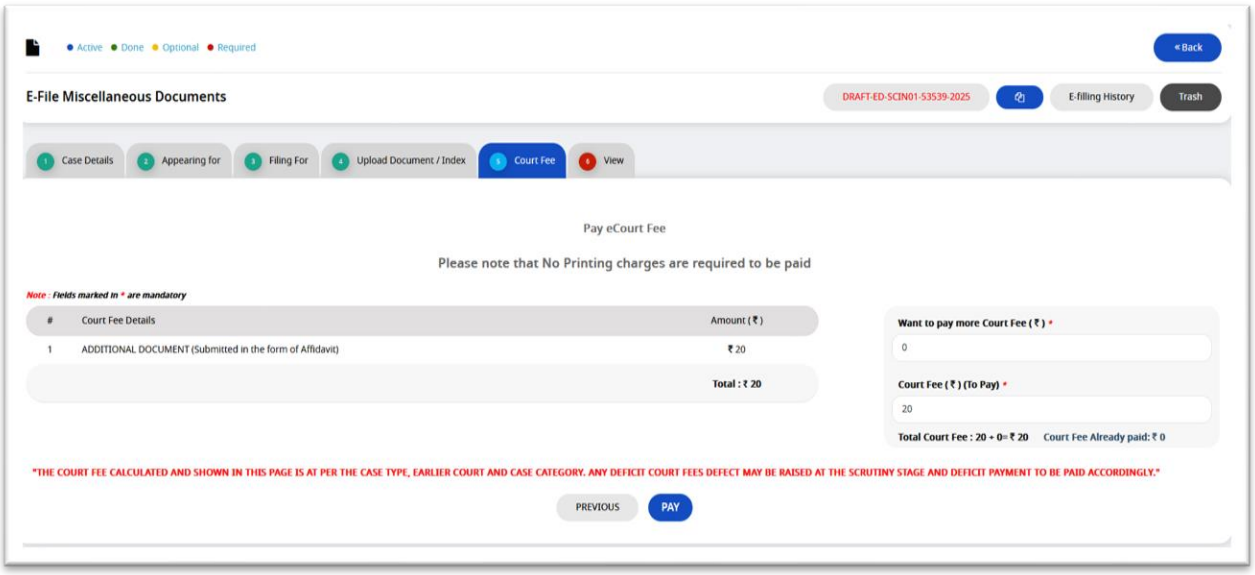

Thereafter by clicking 'Submit' button the user would be taken to next 'E-File Miscellaneous Documents' page to upload the Misc document.

3. Uploading the Misc. document

The next screen displayed is to enable user to select and upload the misc. document from his computer system. A User clicks browse and select desired PDF file from his device and gives document title and clicks upload. User can upload multiple files if the filed are in different parts. Such parts can be clubbed while indexing the documents.

Filing Misc. Documents>>selecting party who is filing document currently.

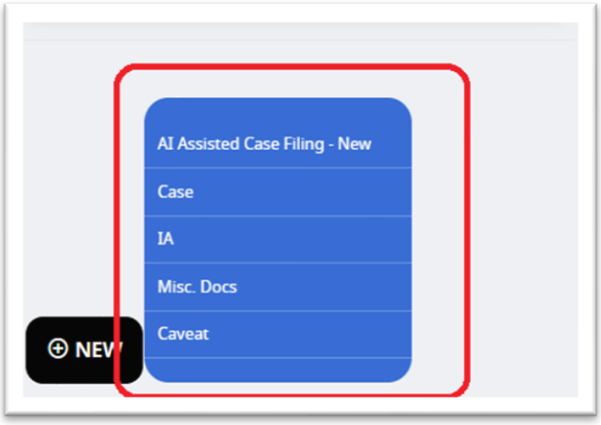

4. As per the documents / index uploaded by you the court fee will be calculated on the next page (Pay Court Fee).

5. Now the user will be taken to 'View' page where all details of the e-filed case shall be reflected.

6. Now the user can click the 'SUBMIT' option at the top right portion of the page.

I.A.

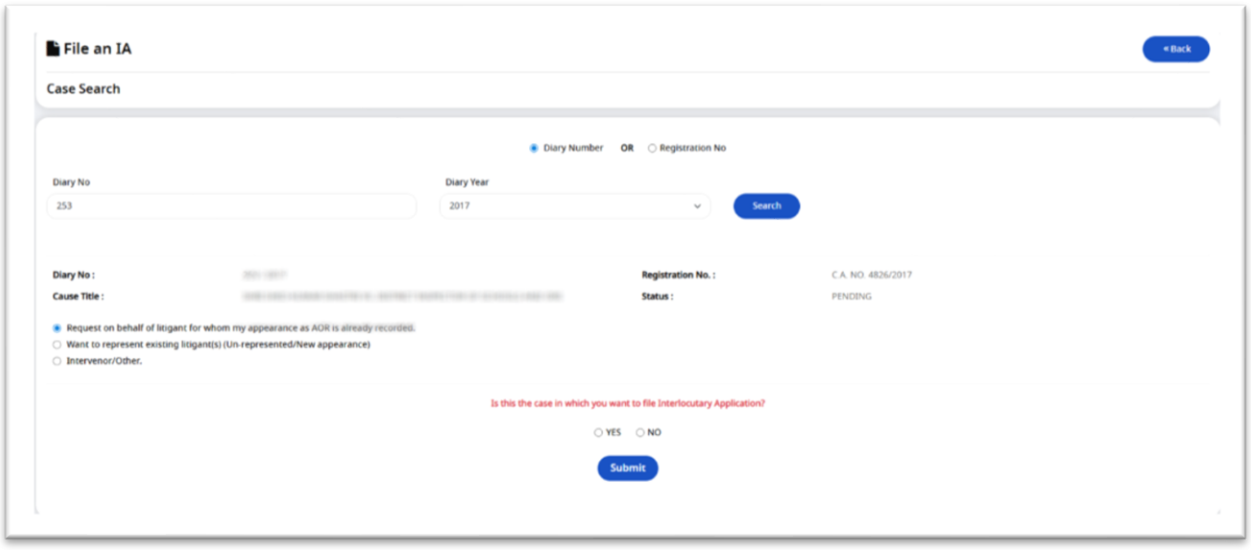

1. Select New option at the lower left portion of the Homepage.
   Select IA.

2. Enter Diary Number / Year or Registration Number.

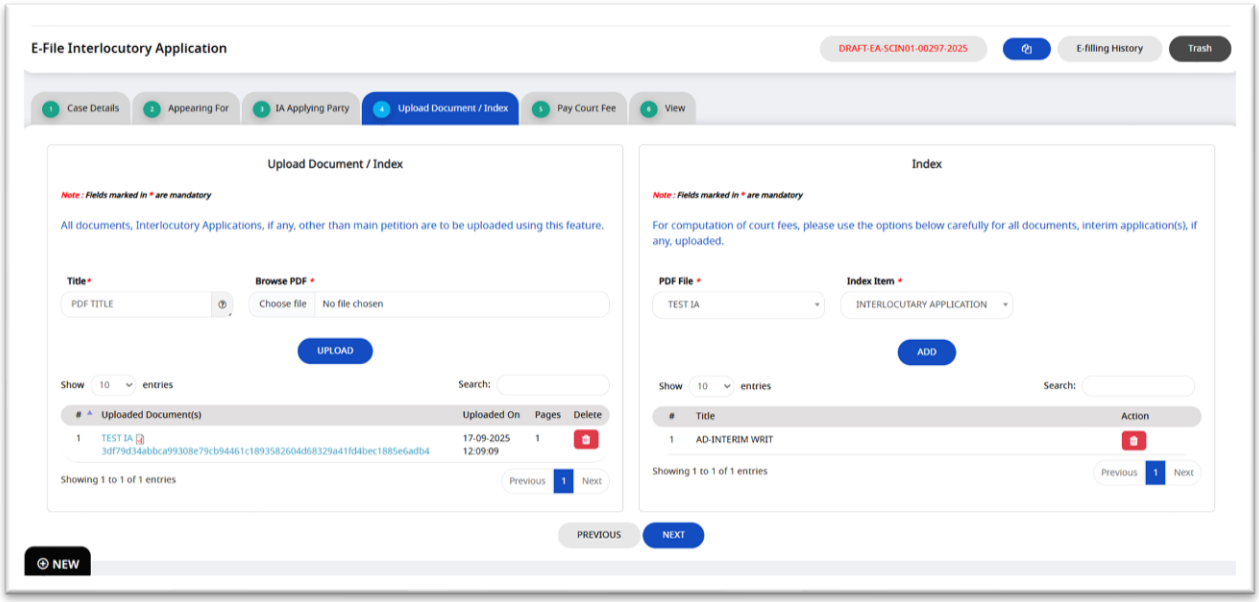

- Select anyone of the below options shown in the next page:
- Request on behalf of litigant for whom my appearance as AOR is already recorded.
- Want to represent existing litigant(s) (Un-represented/New appearance)
- Intervenor/Other.

3. Then select "Is this the case in which you want to file Interlocutory Application?" Yes / No

4. Upon confirming the Party details in the next page, select NEXT.

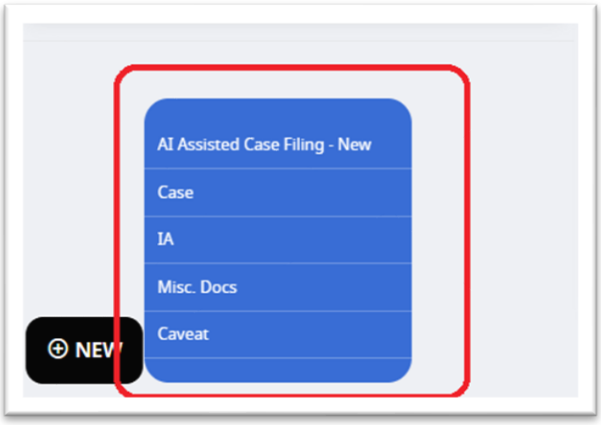

5. Now you will be taken to ‘Upload Document(s) / Index’ page. There you can upload the required document of the IA. Side by side you can create index / sub- index by selecting relevant options from the drop-down menus.

6. As per the documents / index uploaded by you the court fee will be calculated on the next page (Pay Court Fee).
7. Now the user will be taken to ‘View’ page where all details of the e-filed case shall be reflected.
8. Now the user can click the ‘SUBMIT’ option at the top right portion of the page.

Caveat

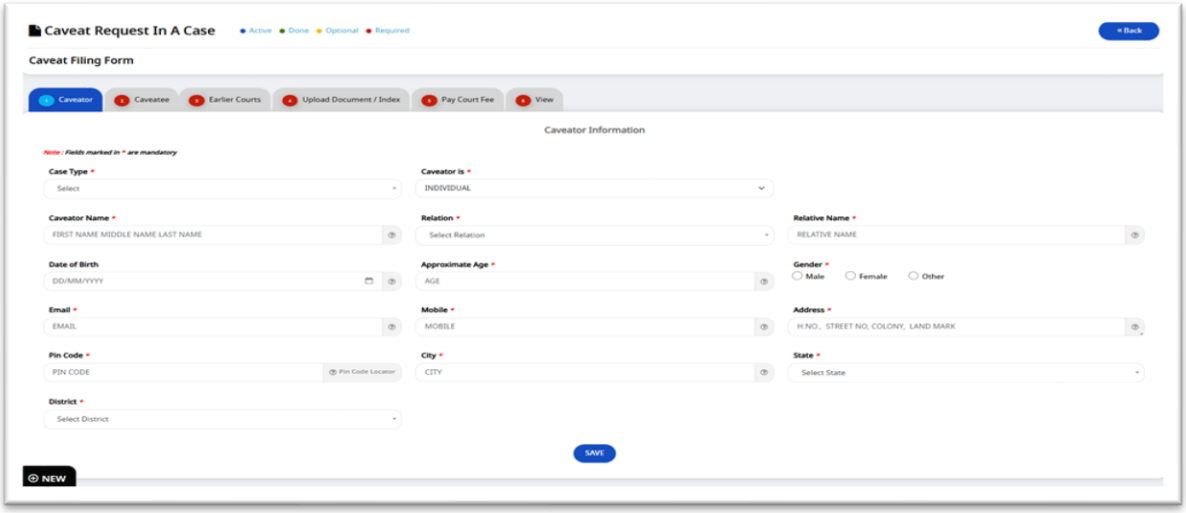

1. Select New option at the lower left portion of the Homepage.

2. Select Caveat option. You will land in the page below

3. Fill up all the relevant fields in each tab/ page by providing necessary information

4. Same process as filing New Case/IA is to be followed for Uploading Documents / Creating Index and paying court fees

5. As per the documents / index uploaded by you the court fee will be calculated on the next page (Pay Court Fee).

6. Now the user will be taken to 'View' page where all details of the e-filed case shall be reflected.

7. Now the user can click the 'SUBMIT' option at the top right portion of the page.

AI Assisted Case Filing- New

For filing a new case click on +NEW button and select the 'AI Assisted Case Filing- New' option from the drop-down list.

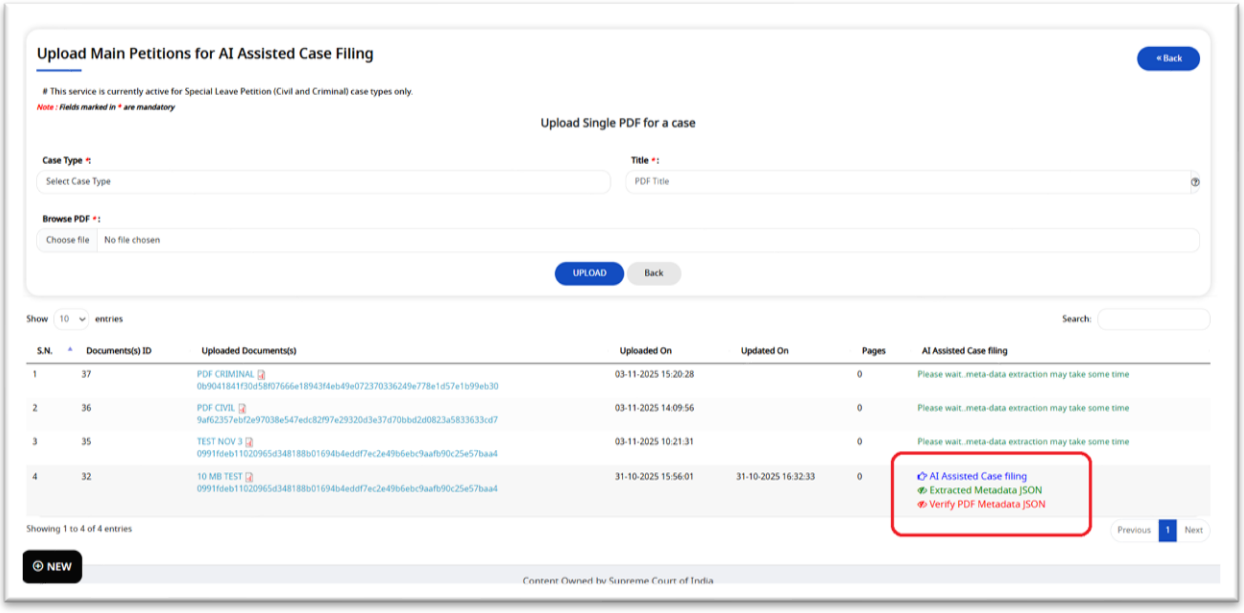

In the AI-Assisted Case Filing module, users must select the case type, upload an OCR-enabled PDF (maximum file size: 50 MB), enter a document name, and click Upload.

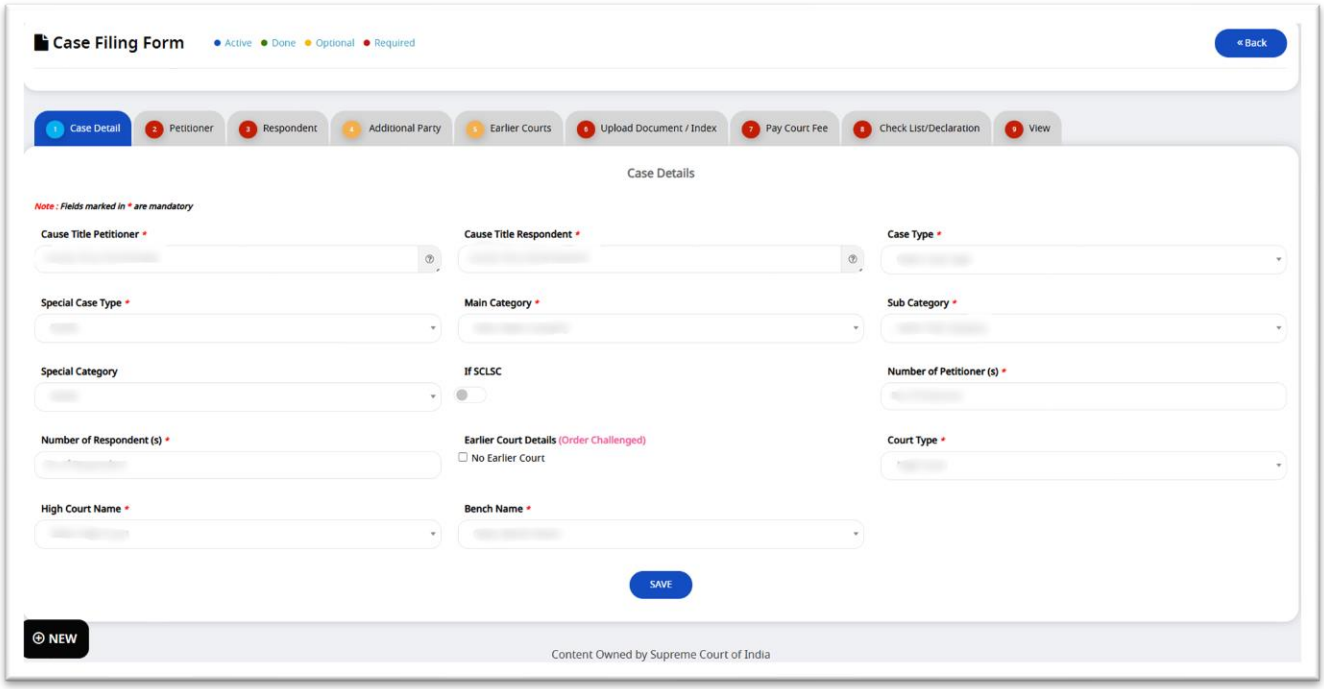

This service is currently active for Special Leave Petition (Civil and Criminal) case type only.

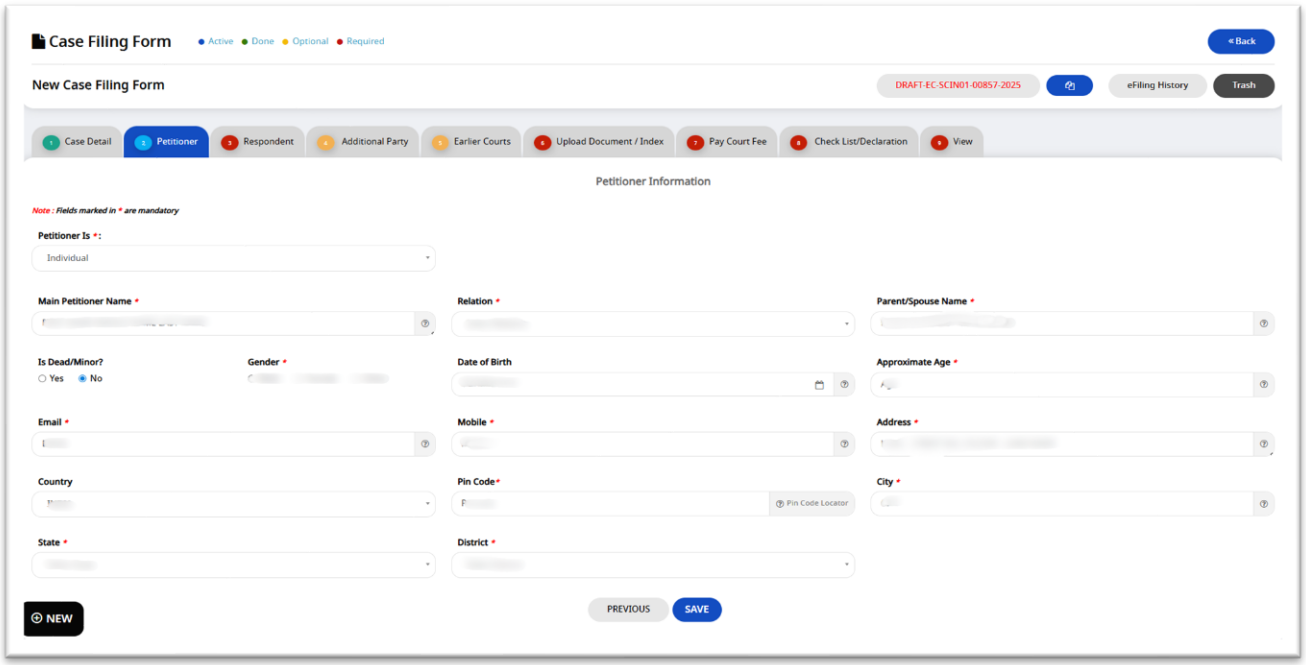

The file is then processed, displaying the message: "Please wait... meta-data extraction may take time depending upon the size of the uploaded petition documents." Once extraction is complete, the system displays the AI Assisted Case Filing section with the Extracted Metadata JSON. as shown in the reference image below.

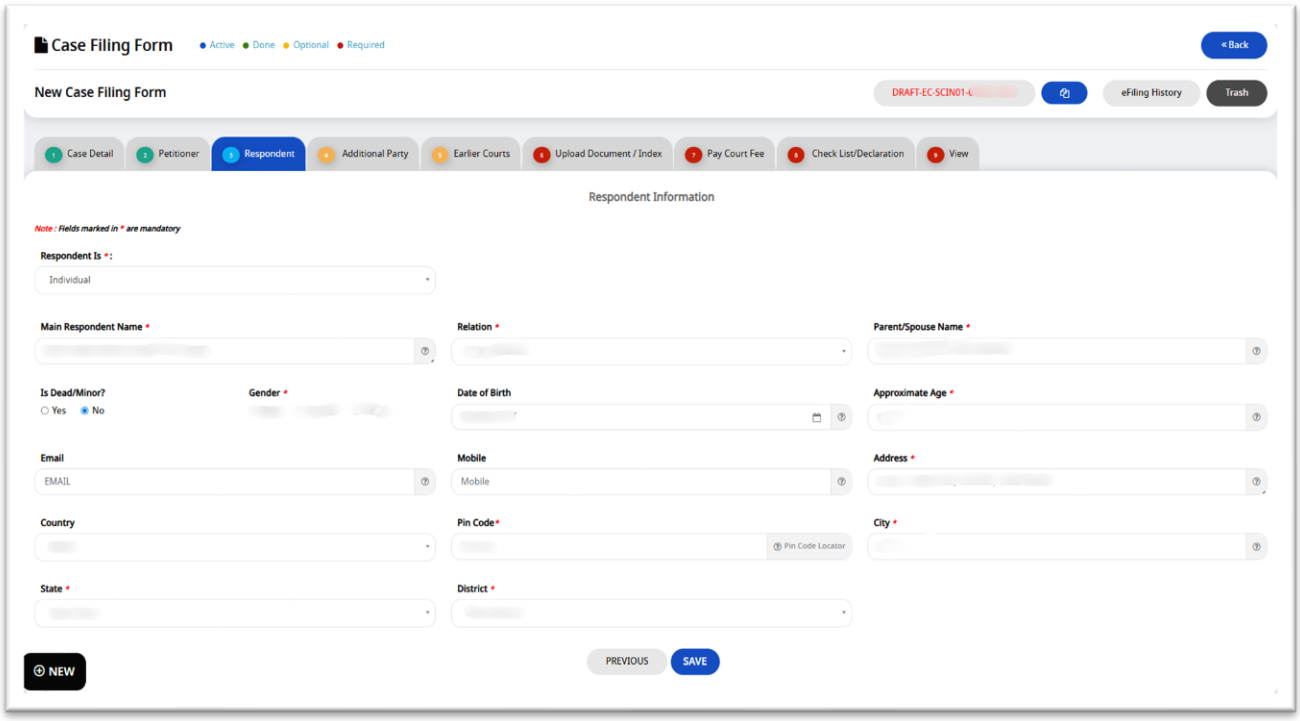

Since AI Assisted data extraction and data entry facility in eFiling is an evolving mechanism, users should always check the accuracy of the data which is automatically entered within the respective fields during case filing before submitting the same. AI is used primarily to assist the users not entirely substitute their role in eFiling.

Upon selecting the 'AI Assisted Case Filing' option, the AORs can start the case filing process, and the extracted data will be automatically pre-filled in the respective fields. The e-filing users will always have the liberty to edit the prefilled information.

How to Check Defects, Pay Deficit Court Fee and Re-file

1. Go to Homepage / Dashboard as shown in the following image

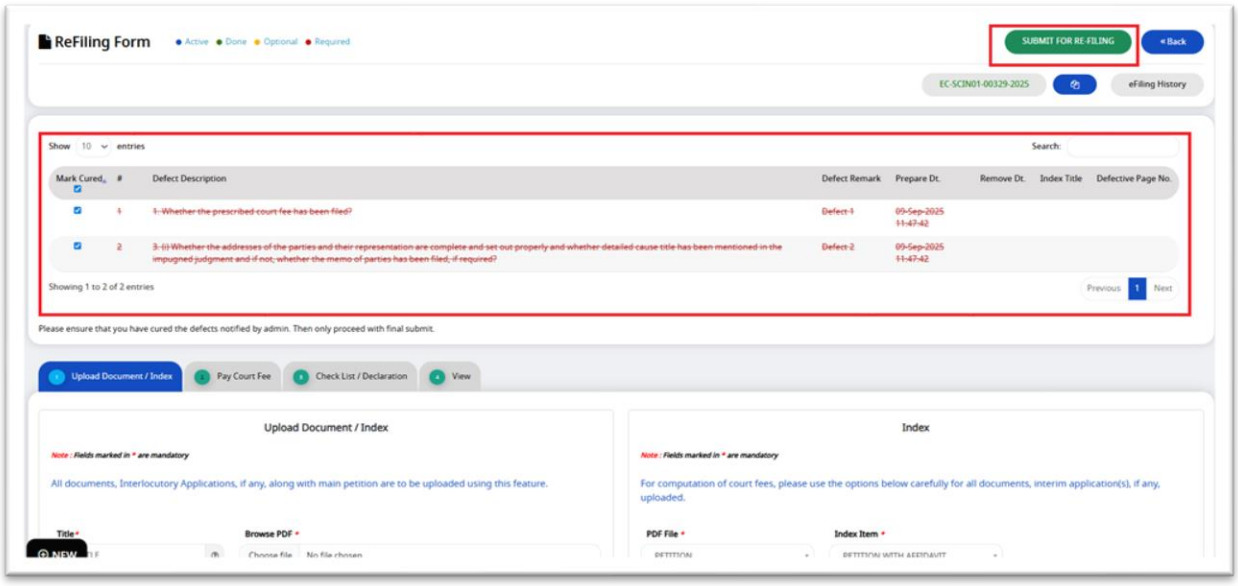

2. Under the third menu option viz. Scrutiny status, you can see two categories of information, DEFECT NOTIFIED and PENDING SCRUTINY.

3. The option DEFECT NOTIFIED denotes those eFiled cases / applications where defects have been notified, whereas the option PENDING SCRUTINY denotes those eFiled cases / applications where the defects have been cured and are pending for further scrutiny.

4. In order to refile a defective case / application,

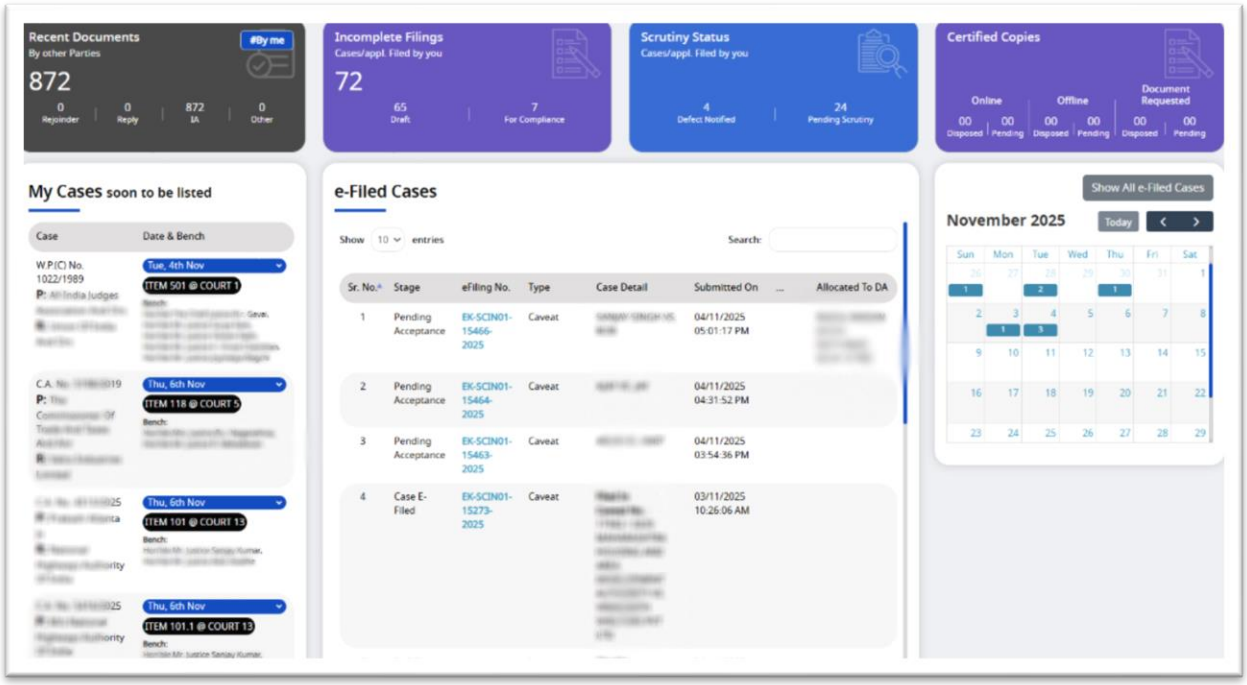

i. click on the DEFECT NOTIFIED option. You will be able to see the list of cases where defects have been notified.
ii. select the case where you want to cure defect.

iii. you will be able to see the details of defects in that particular case.
iv. tick the check box(es) relating to those defects which has/ have been cured in your opinion.
v. scroll below to the REFILING FORM.
vi. Upload the Document showing that defect has been cured.
vii. Create appropriate index and pay deficit court fee, if any.
viii. Upon successful completion of the above process click on SUBMIT FOR REFILING option on the Top right part of REFILING FORM.

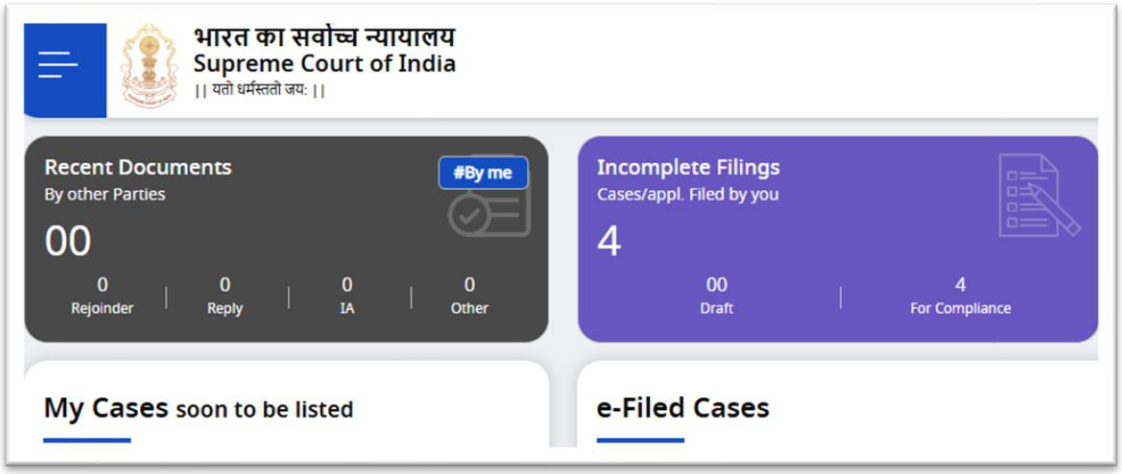

HOW TO USE DASHBOARD

1. Upon logging-in, User first lands on the Dashboard page.

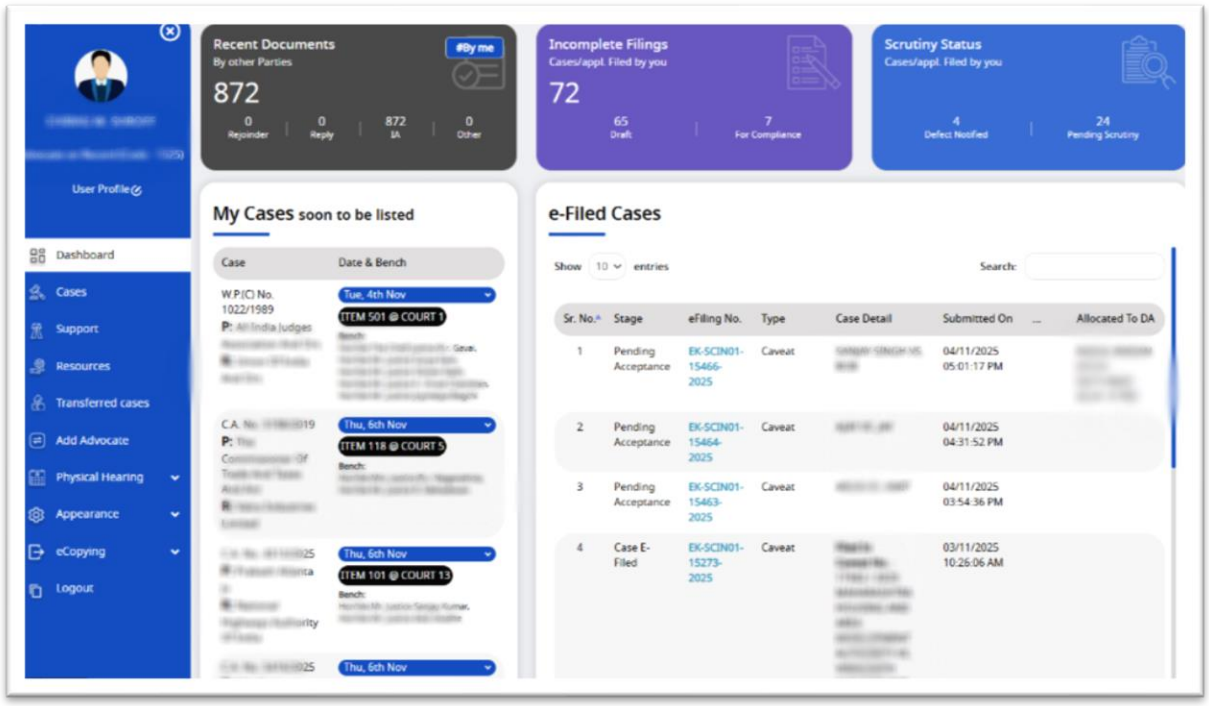

2. Dashboard provides various categories of case related information at a glance to the user, such as recent documents filed by the parties, incomplete / draft files, status of cases where defects have been notified and refiled cases pending scrutiny. Dashboard also reflects the list of eFiled cases and all listed cases concerning the AOR.

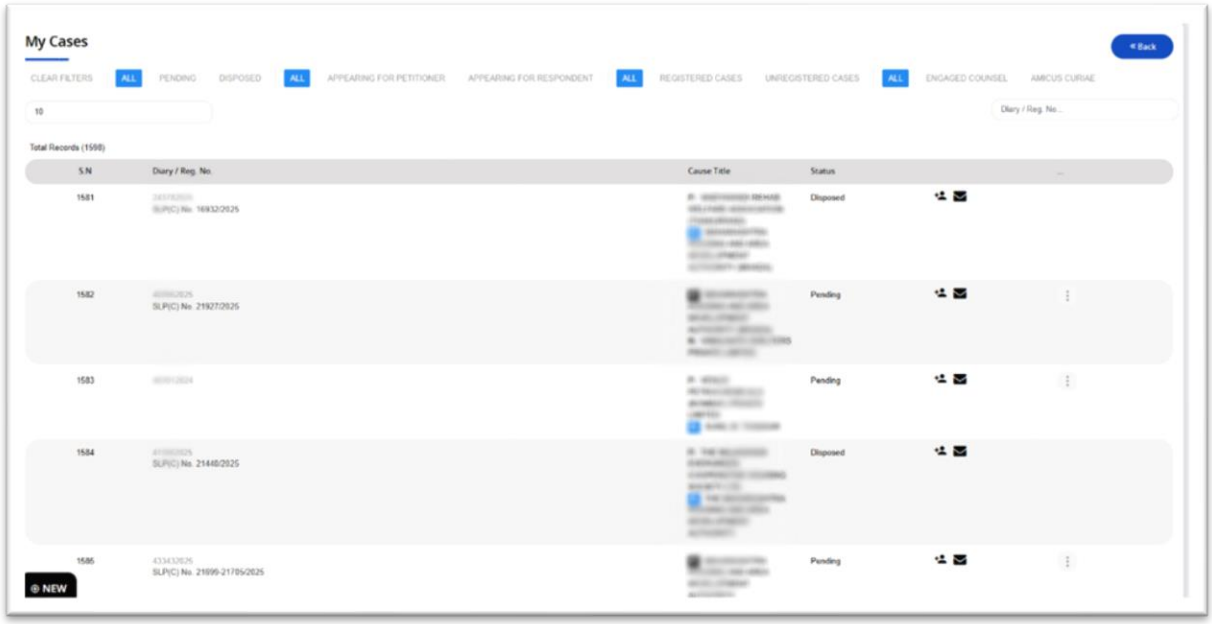

Click the hamburger option on the top left part (near home icon) of the Dashboard page (see image option below)

It will open the left side pane as shown below

a. The ‘Add Advocate’ option can be used to enter / register any other advocate engaged in the case. The added advocate can login using the credentials and access the scanned paper books of the case.
b. The AOR can also access ‘Profile’ and other facilities such as ‘Support’ and ‘Resources’ (FAQs, Manual and Tutorials) from this page.
c. The ‘Cases’ option can be clicked to view all cases whether pending or disposed. The AOR can search any case here to learn its status and other details.

ECopying

E-Copying Software Features:

1. e-Copying software has been integrated within SC-eFM 3.0 to enable online services within same portal.

2. At the time of registration, verification of the AOR/party-in-person/Appearing counsel is done by software through verification of mobile number and email address.

3. Calculation of copying fees is automated. Payment for copying fees can be made online using debit card, credit card, net banking, UPI, wallet etc. which directly sends amount to government account through the API integrated with Bharatkosh.

4. Access to record is as per capacity of the user i.e. AOR, Party, Appearing counsel or Third party. Access control to certain portion of record (document or part of document) is defined as per Rules for certain users viz. AOR and Party- in-person.

5. Online applications do not require further entry by the Registry manually.

6. Process of issuing e-copy is accelerated by automation once process of verification by copying section is complete.

7. QR code embedded in the copies issued and authenticity can be verified online via the QR code link.

8. Provision is made to share digitally signed PDFs to the applicant by email.

9. Provision is available to search the document and also to request unavailable documents (not found in 'search' results).

1. Eligibility for e-Copying Requests

1.1 Advocate-on-Record (AOR):

- Can obtain copies of judgments, orders, RoP, or documents (full/part) for cases they are engaged in. First bail order copy is free.
- If an AOR is not registered in SC-eFM 3.0 portal, he/she may get himself registered by filling in the form available on the website of the Supreme Court and submit the same to Record Room

1.2 Party in a Case:

- Party-in-person can apply via e-Copying.
- If registered in the e-Copying database, they can apply directly; otherwise, they must complete verification to become eligible.
- Can obtain copies of judgments, orders, RoP, or documents (full/part) for their case.

1.3 Appearing Counsel:

- Must be registered with the e-Copying system via mobile number and email ID verification.
- Must have recorded appearance in the specific case.
- Can obtain copies of judgments, orders, or RoP for cases they appeared in.

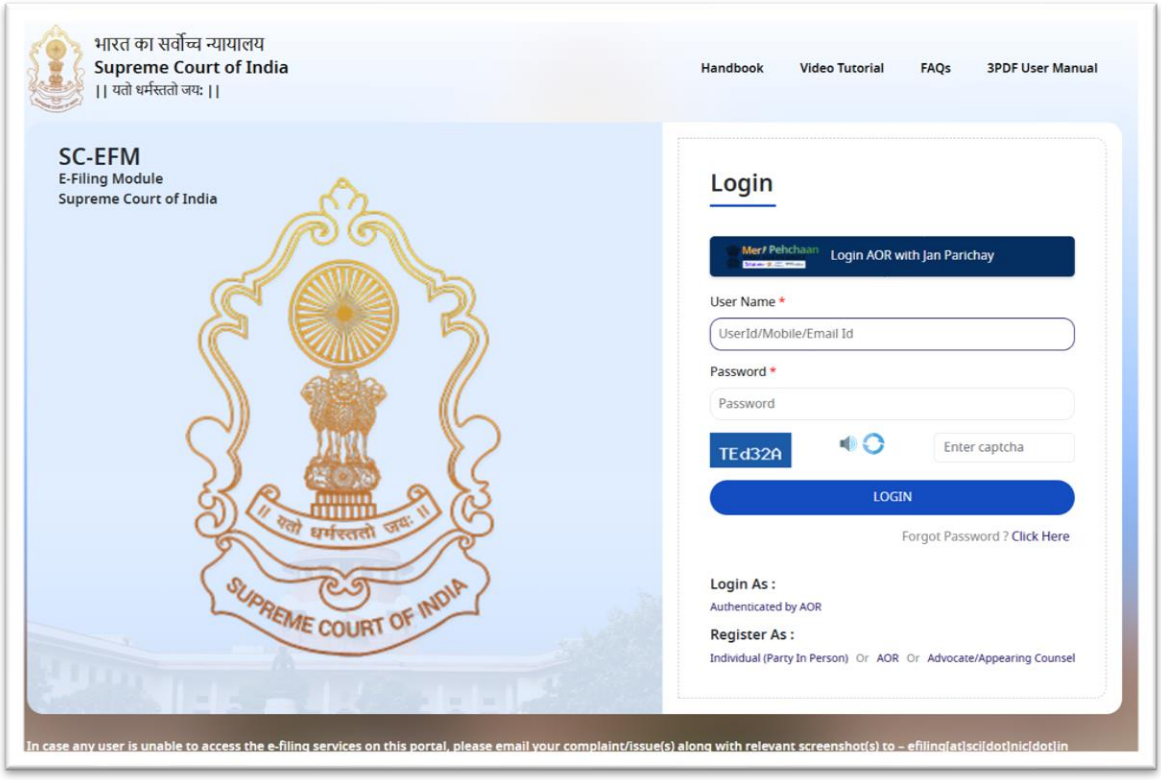

1.4 Advocate Authorized by AOR:

- Acts as an agent for the AOR; requests are treated as made by the AOR.
- Must undergo mobile number and email verification and be authorized by the AOR.
- All developments are notified to the AOR.

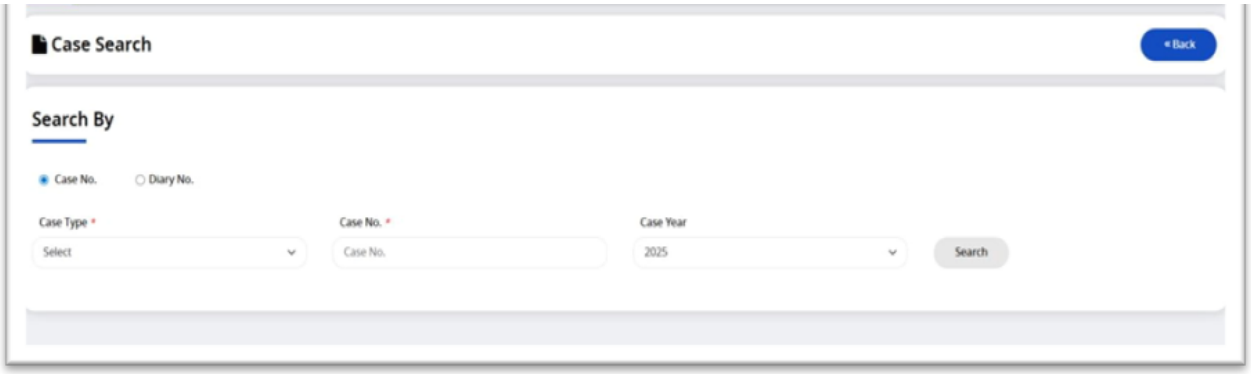

2. Login Processes in eCopying

2.1 Advocate on Record

1. To login select your capacity as AOR
2. Enter User ID or Mobile No. or email, password and Captcha then click on Login button.

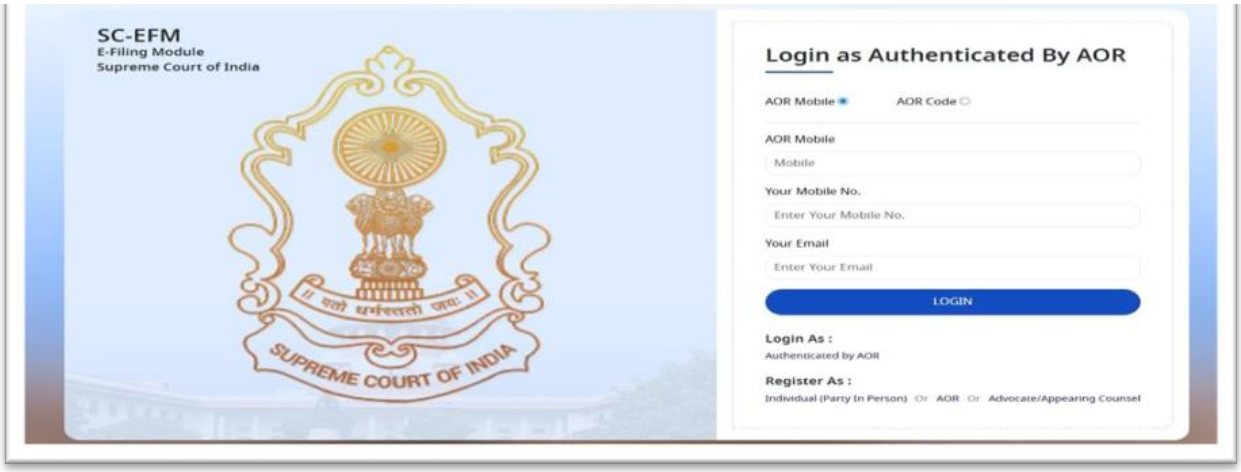

3. You can now enter case number for e-Copying request

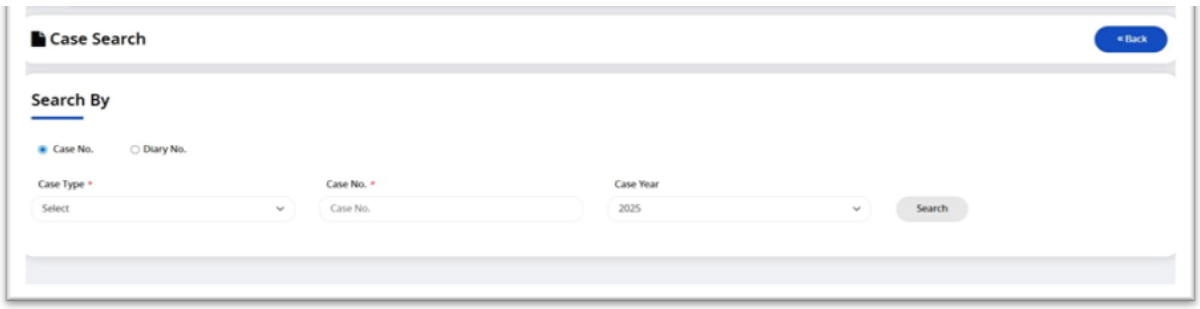

2.2 Authenticated by Advocate -on-record

1. Select your capacity as Authenticated by AOR and enter Your details and AOR details as well to identify your association with AOR.
2. Enter the OTP received on your registered mobile number and the OTP received on the AOR's registered mobile number.

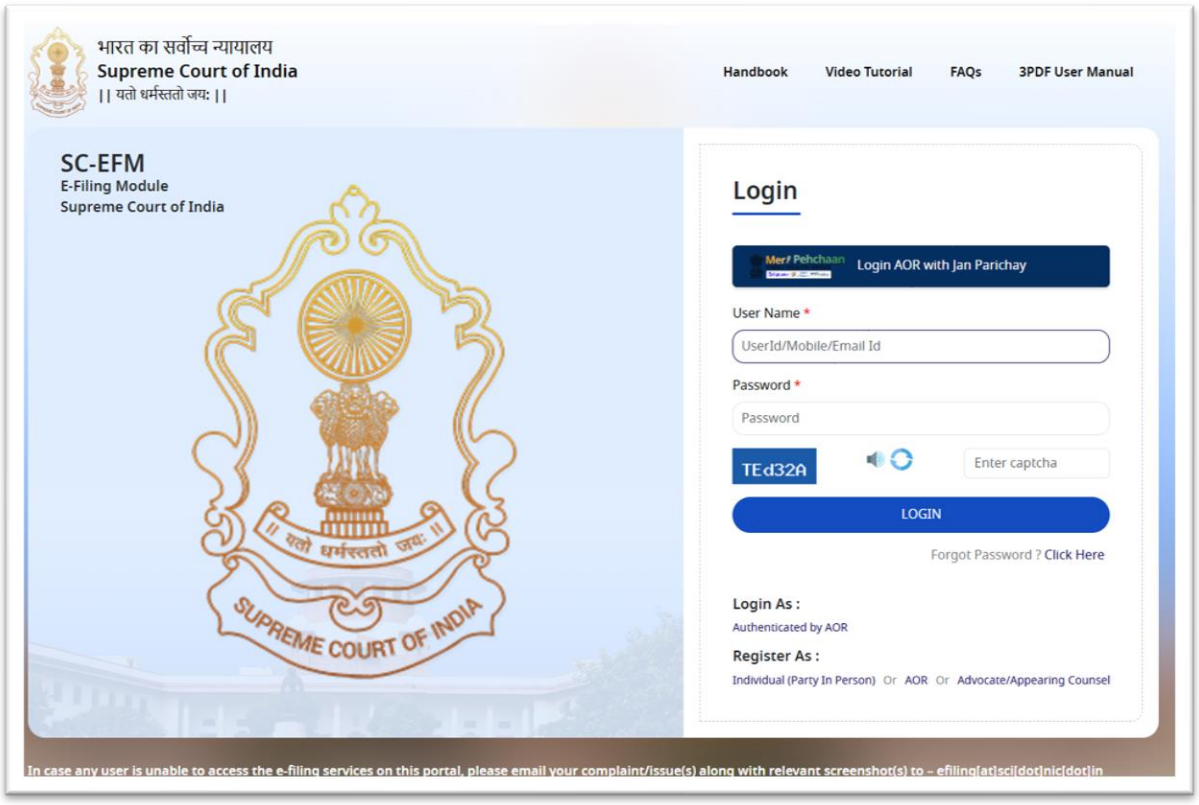

3. You can now enter case number for e-Copying request

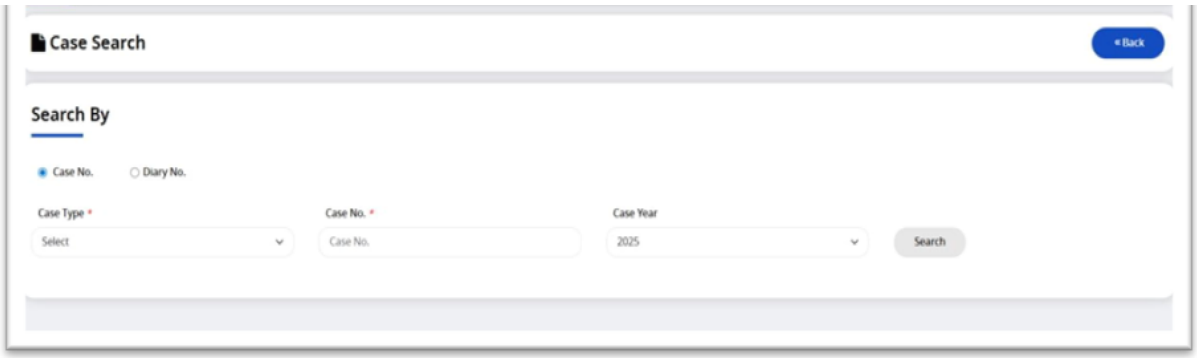

4. An email from Supreme Court of India will be sent to you on your given email address for the purpose of verification as to whether the email account belongs you. Please click the button “Verify Your Email Address” in the email to continue.

2.3 Appearing or Arguing counsel

1. To login select your capacity as Appearing or Arguing counsel.
2. Enter User ID or Mobile No. or email, password and Captcha then click on Login button.

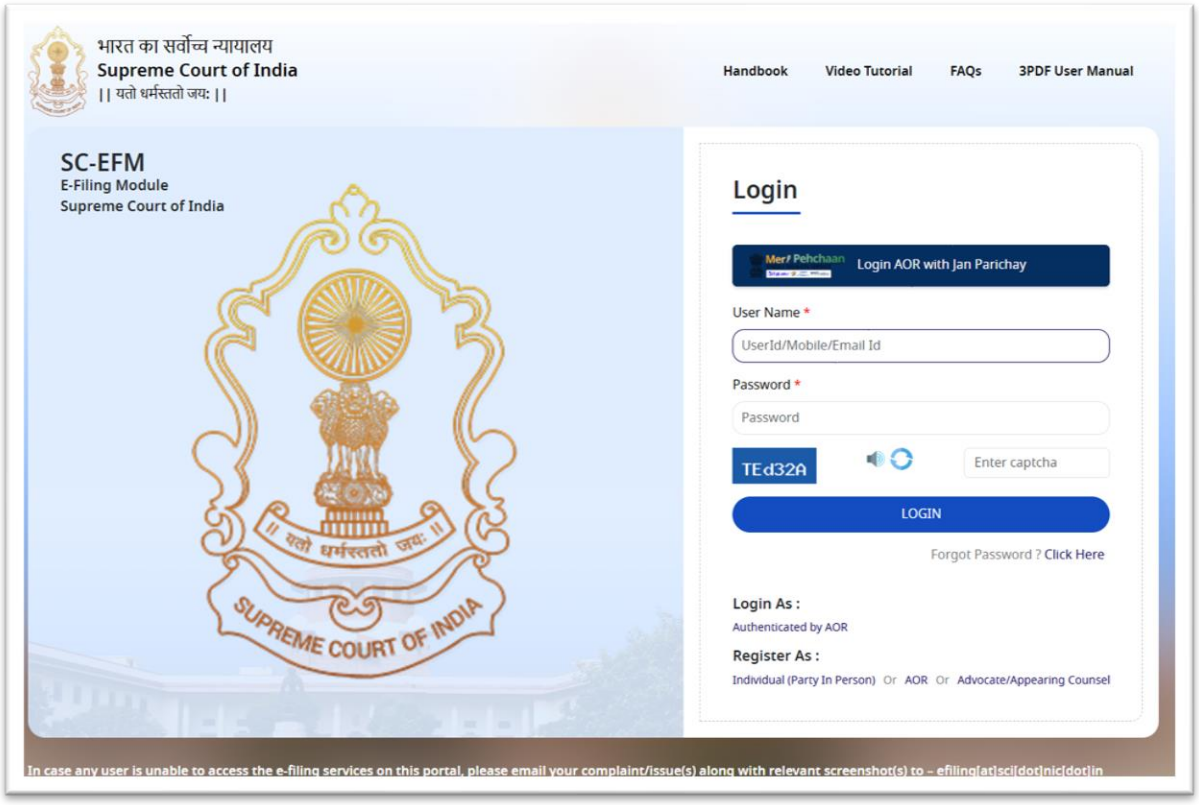

3. You can now enter case number for e-Copying request.

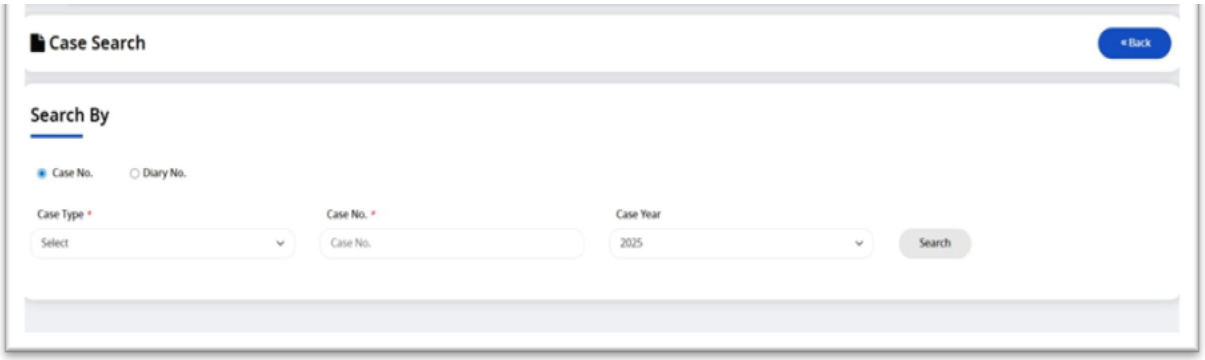

4. An email from Supreme Court of India will be sent to you on your given email address for the purpose of verification as to whether the email account belongs you. Please click the button “Verify Your Email Address” in the email to continue.

2.4 Individual (Party In Person)

1. To login select your capacity as Individual (Party In Person).
2. Enter User ID or Mobile No. or email, password and Captcha then click on Login button.

3. You can now enter case number for e-Copying request.

4. An email from Supreme Court of India will be sent to you on your given email address for the purpose of verification as to whether the email account belongs you. Please click the button “Verify Your Email Address” in the email to continue.

3. Apply for Copying

1. Case Search by Diary Number or Case Number

Cases which are either pending or disposed of can be searched here. Complete details pertaining to the case will be listed. Only concerned parties including AOR and party-in- person to the case may be able to apply for certified or authenticated copy in this case.

2. Application category and charges

   a) Categorization of applications and fees are as follows:

   A1- Urgent Certified (₹5/- urgency fees + ₹10/- per certification + ₹1/- per page)

   A2 - Ordinary Urgent Copy (₹5/- urgency fees + ₹1/- per page)

   B – Ordinary Certified Copy (₹10/- per certification + ₹1/- per page)

   C – Ordinary Copy (₹1/- per page)

   On the basis of the selected category, relevant charges will be incurred along with number of copies etc. and the break-up of charges will appear on screen prior to making of payment.

   b) A new category has been introduced, namely D - "Digital Copy" i.e. Authenticated Copy. In this mode, if user opts for this mode, an authenticated copy may be emailed to user on his/her registered email address.

   - First Digital Copy is provided free of cost by the Supreme Court of India.

3. Select Delivery Mode and Number of copies

Choose Delivery Mode from following options:

- By Speed Post
- Counter

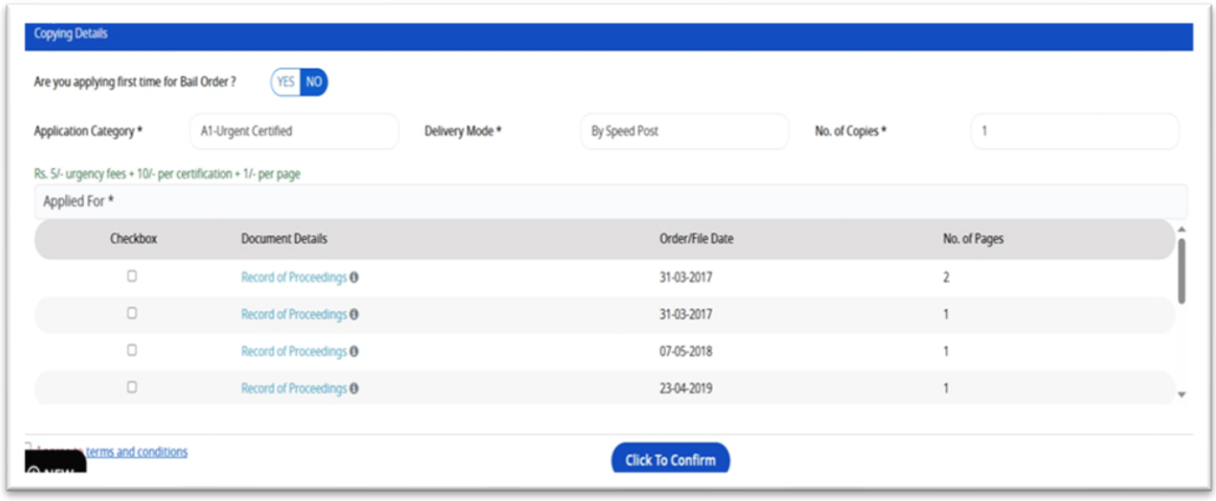

Delivery mode through email is only available for digital copies and not otherwise.

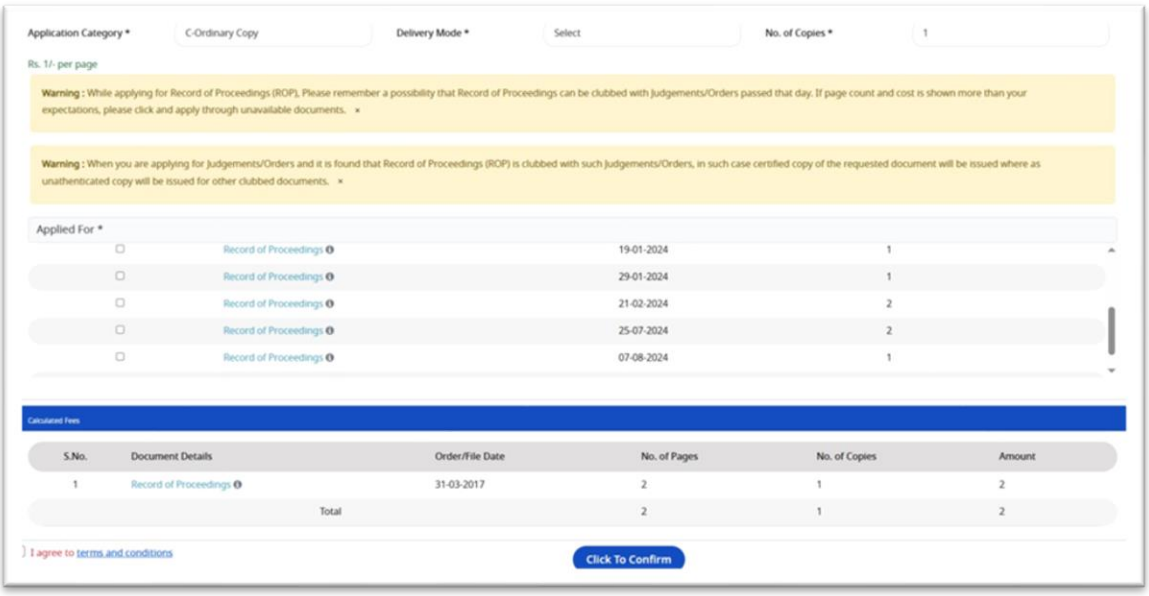

Now select number of copies.

4. Choose from available record.

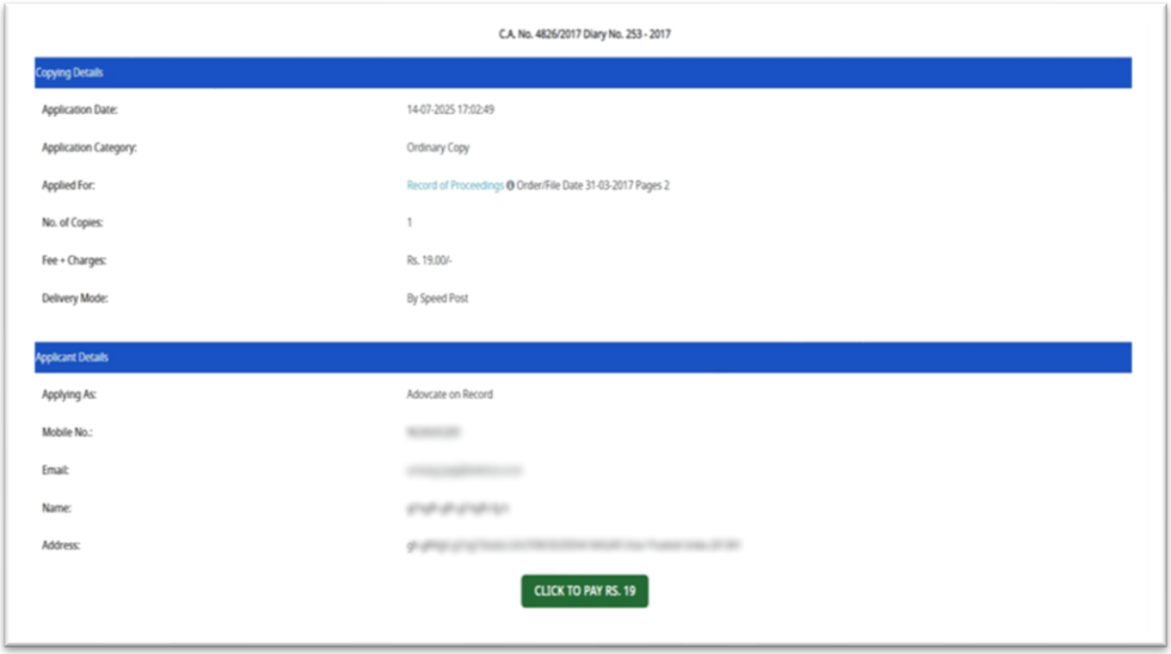

User will be shown list of available record. User can choose the items as per the details shown on the screen. At the same time, charges to be paid by the user will be displayed on the screen as shown below in the figure. User will be asked to agree to the terms and conditions and then he will be asked to confirm his choice of record for copying request. However, request may not be processed unless applicant details are complete.

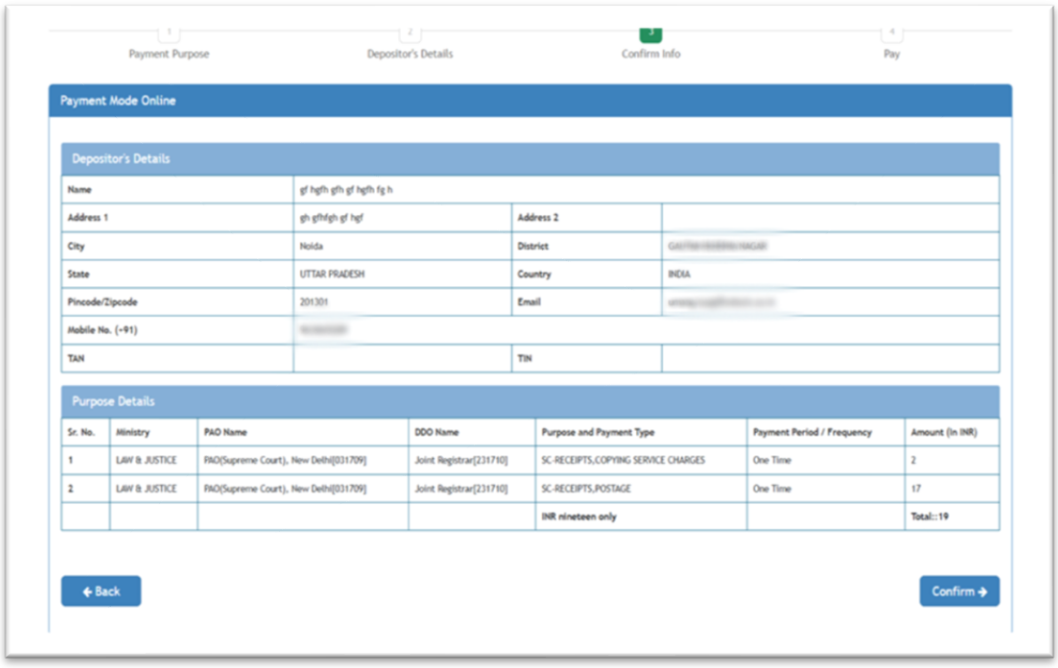

4. Make Payment

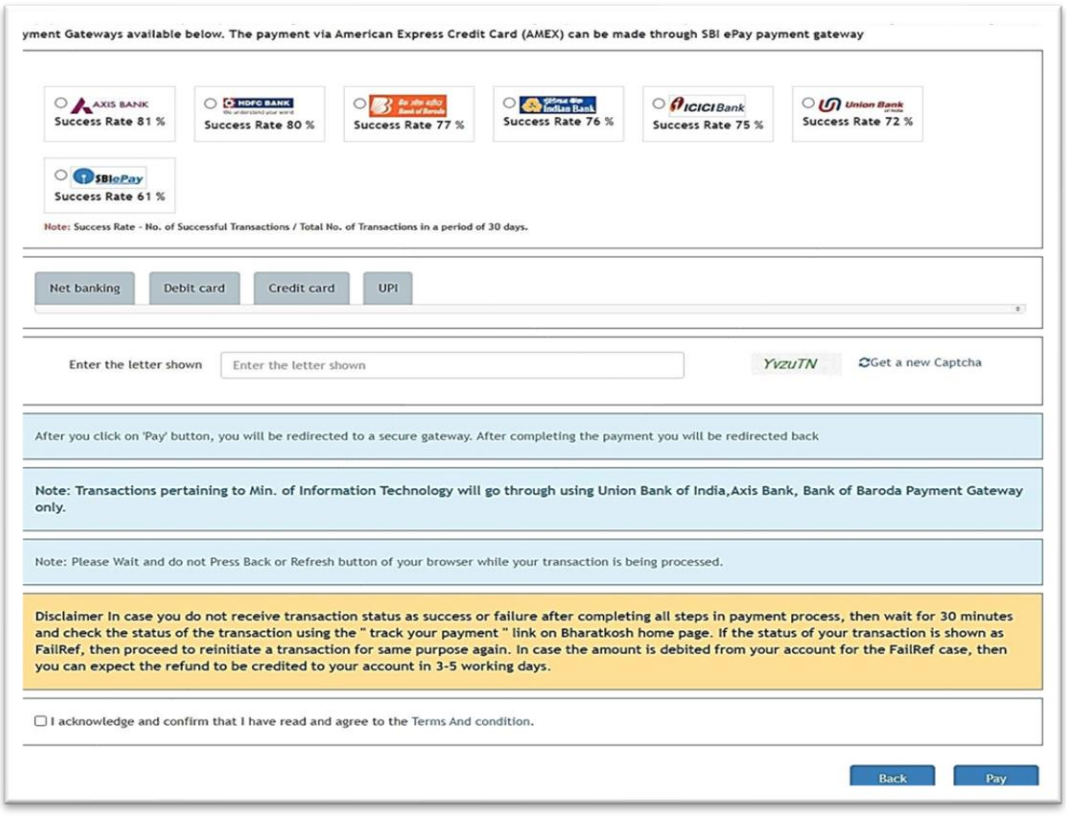

1. Choose to pay the calculated amount.

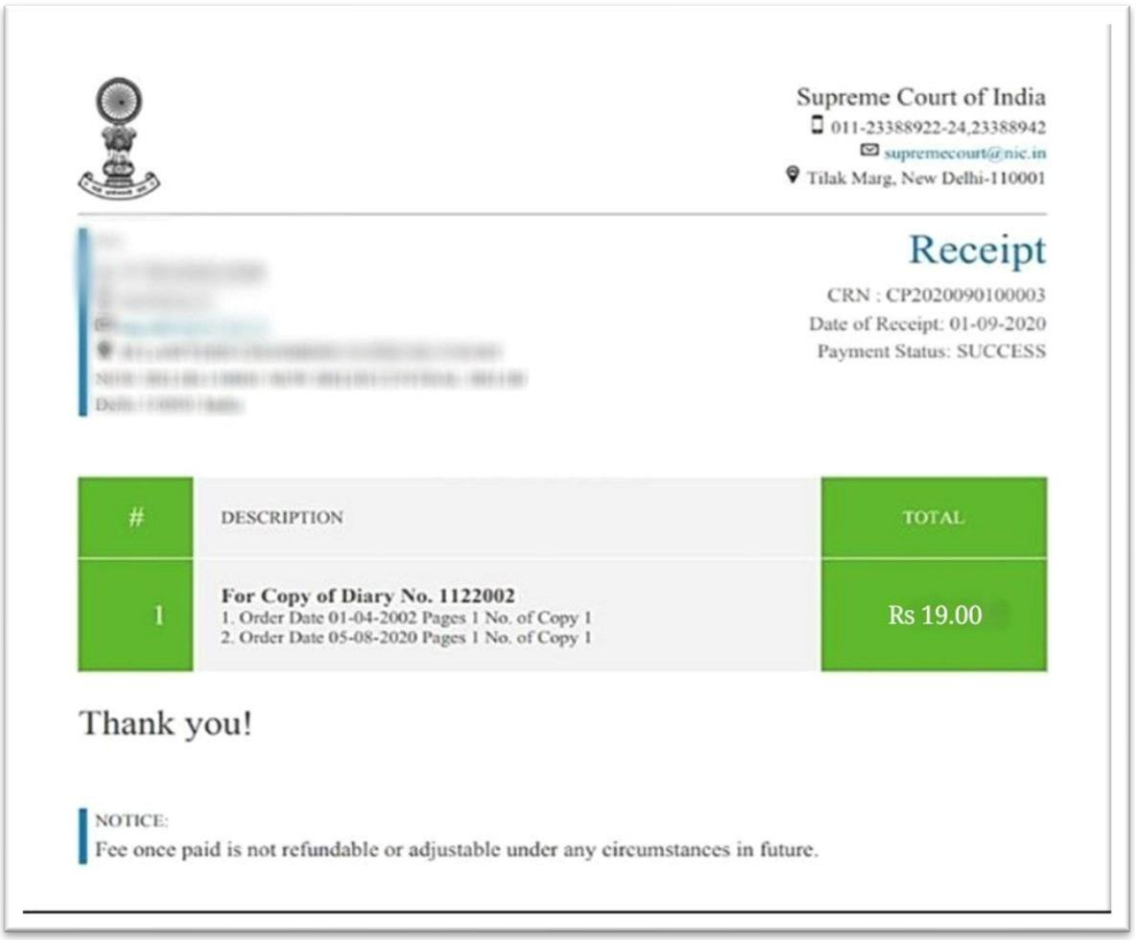

2. Confirm after checking the amount credited to Supreme Court.

3. Choose payment Gate-way and method of online payment.

8. Frequently Asked Questions (FAQ)

Frequently Asked Questions are provided for quick reference and “How To” information on fingertips.

Appearance Portal- Online Appearance Slips

Process for Appearance slip & Software Features

1. Receiving appearance slips online through the Advocate Appearance Portal is now possible.

2. At the time of login, verification of the AOR is done by software through One Time Password (OTP).

3. Access to case for appearance slip is as per capacity of the user i.e. AOR. Access control to a certain portion of the cause list is defined and entry of Appearance Slip is allowed only in his/her cases.

4. Appearance Slips do not require further entry by the Registry manually in Record of Proceedings.

5. Provision is available to search appearance slips which were earlier submitted.

6. Allowed to send appearance slips 2 to 3 days in advance after the cause list is published on the Supreme Court website.

7. This will eliminate the need to submit appearance slips to the court masters manually by the AORs. Hence making the process paperless.

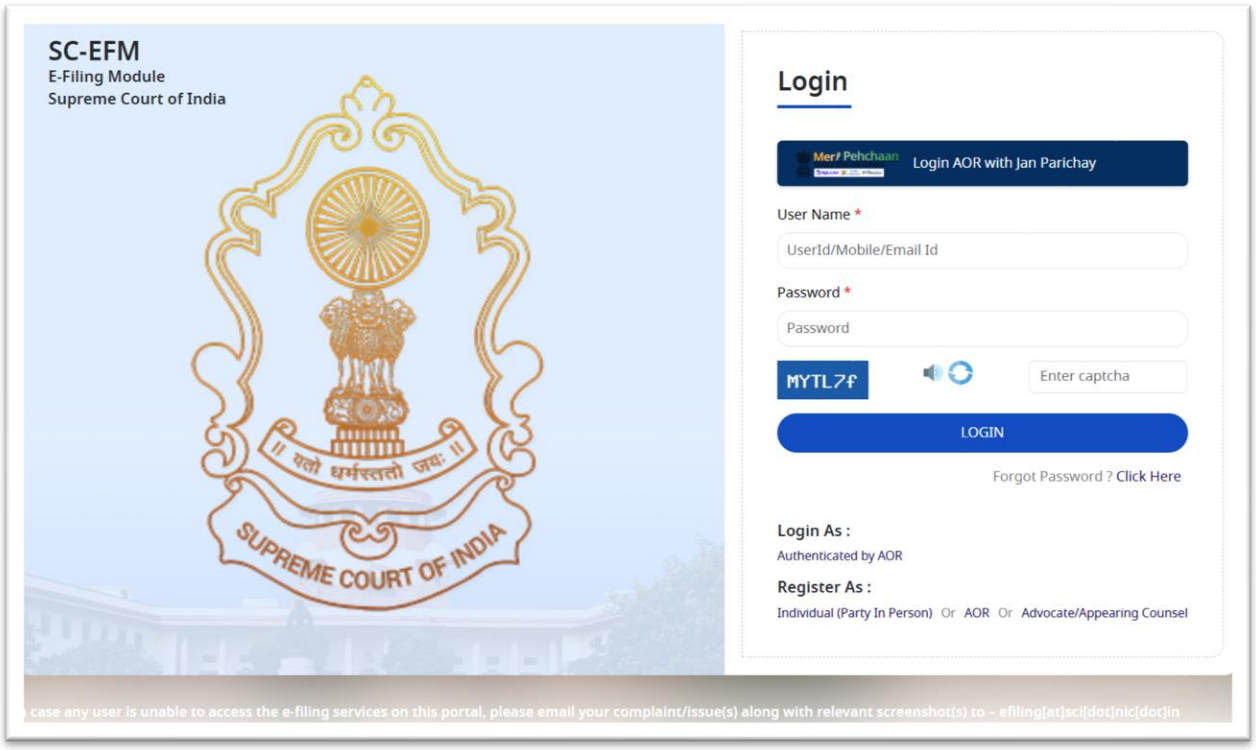

Eligibility of User to send Appearance Slip

This portal is developed for Advocate-On-Record (AOR). AOR must be registered with the Supreme Court Integrated Case management and Information System (ICMIS) and he/she must have been engaged by parties for which an Appearance Slip request is made. AOR may submit an Appearance Slip in a case in which he/she is engaged. Normally, all AORs are registered with ICMIS, however, if an AOR is not registered, he/she may get himself registered by filling in the form available on the website of the Supreme Court and submit the same to the Record Room. On successful verification, his/her name would automatically appear in Advocate Appearance Portal.

ICMIS maintains a database of AOR with respect to parties to the case. On this basis, the system determines whether an AOR's registered in the system along with the date of listing.

Logging in and Verification

To login, enter User ID or Mobile No. or email, password and Captcha then click on Login button.

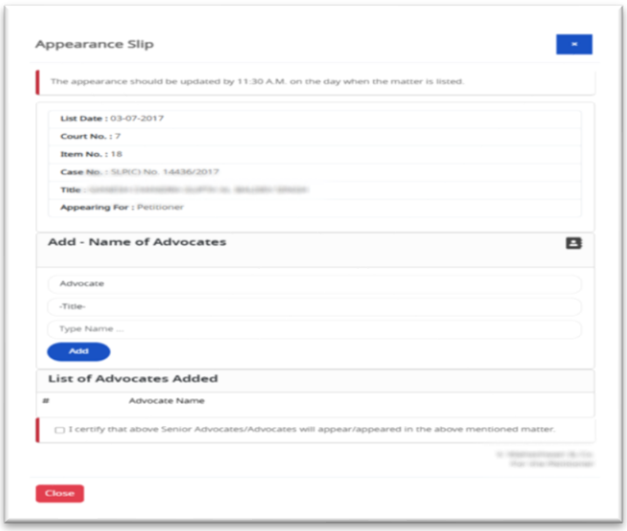

Cause List

Cause List of logged in AOR with cases listed today and in future dates will display here for the purpose of appearance slip.

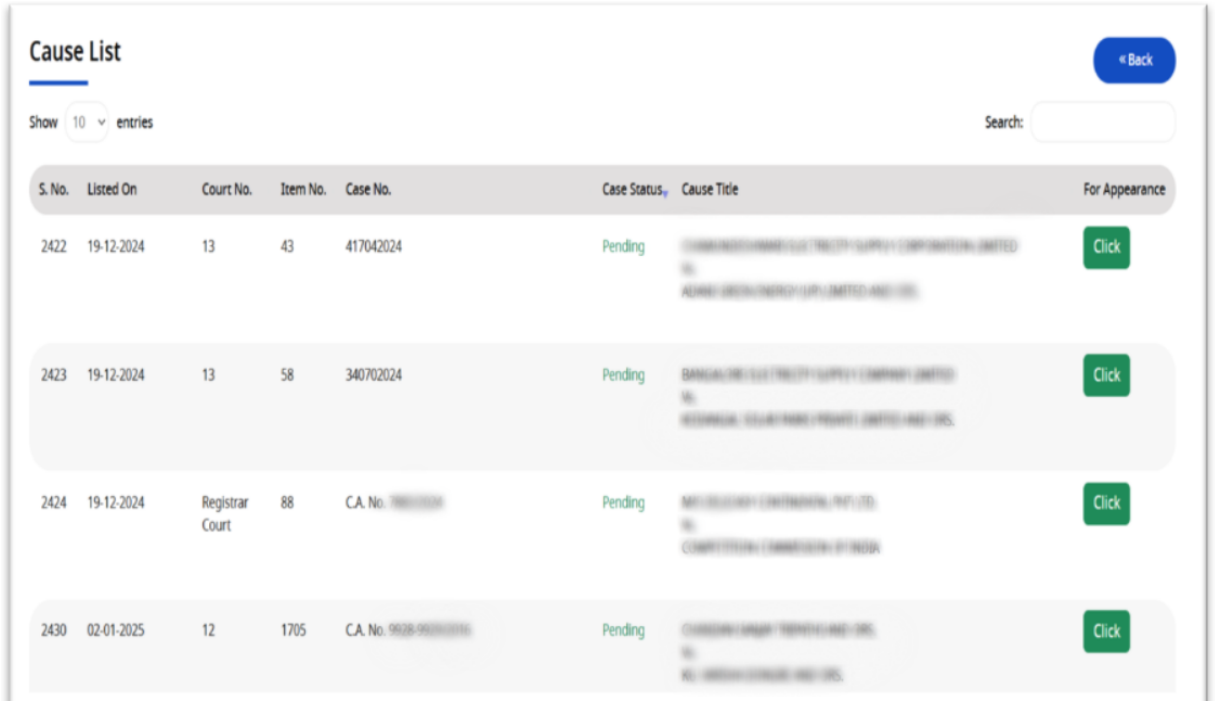

A. Time Out

Time Out message will appear after 11:30 AM on the day of cases listed and will not allow AOR to enter for an appearance slip.

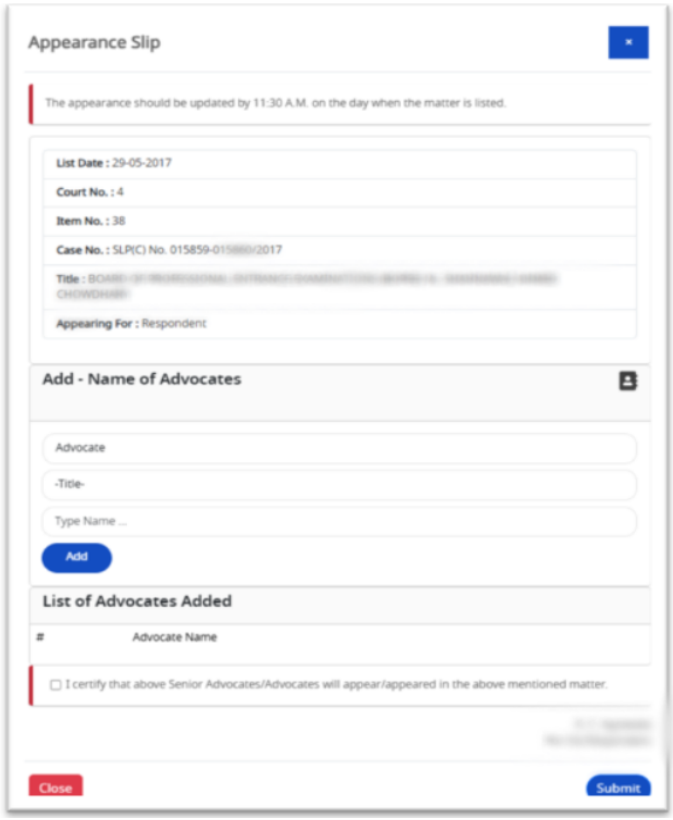

B. For Appearance Slip

Once entered to the cause list menu, click on the green button namely “Click” in “For Appearance” column.

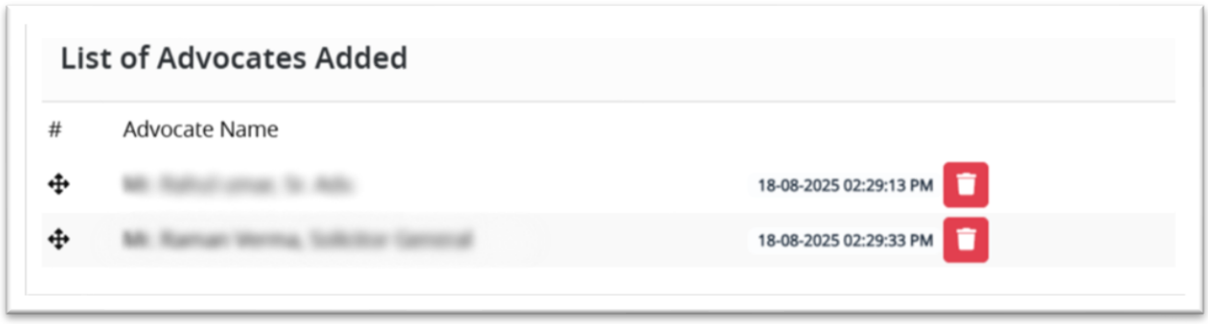

A Pop-up modal will open with case details and submit button.

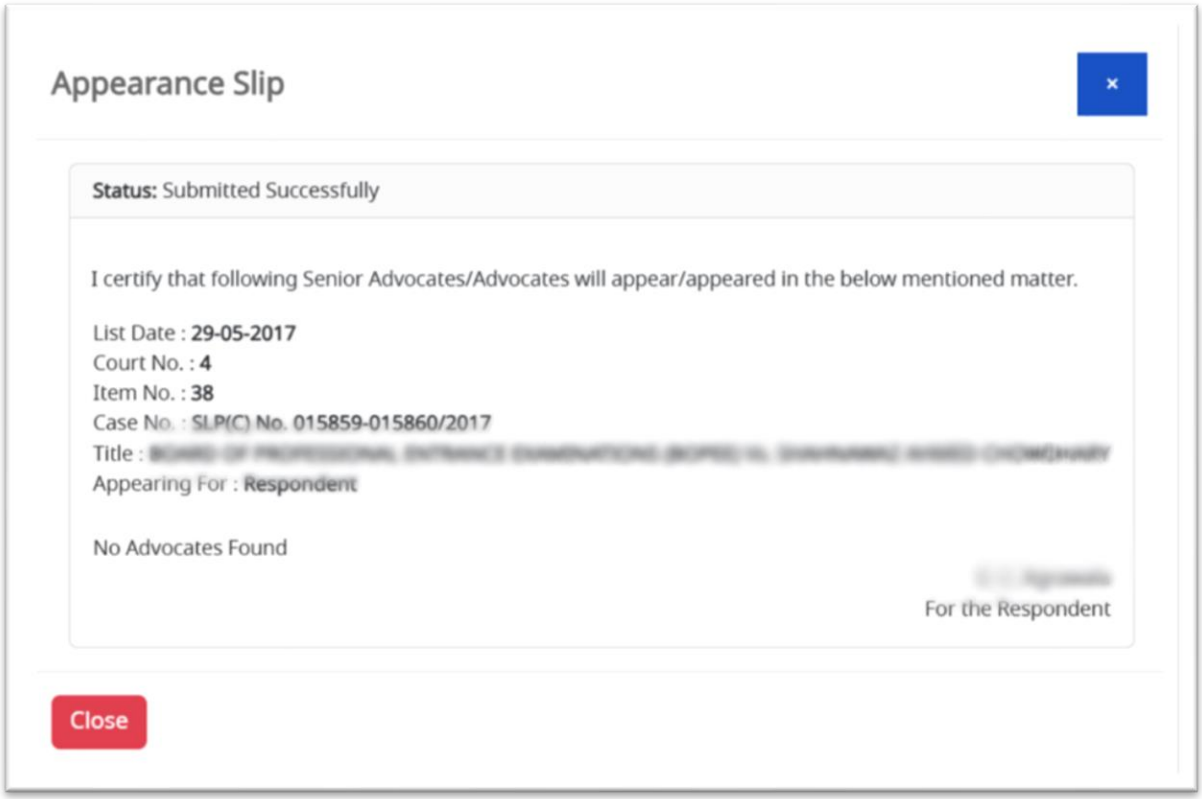

C. Following steps to follow to submit appearance slip:

1. Add Name of Advocates
2. List of Advocates Added

3. I Certify and Final Submit
4. Display Appearance Slip Format with message submitted successfully and Delivered message received on the mobile number.

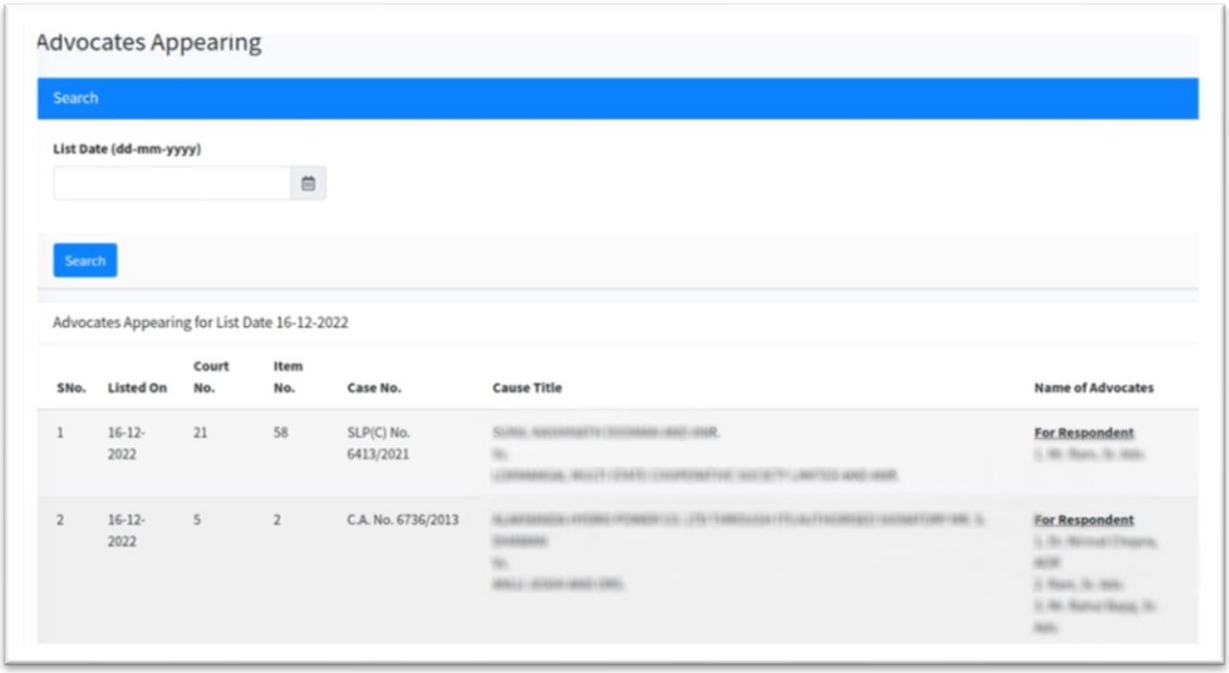

Reports

Submitted Appearance Slips report can be accessed from Report menu:

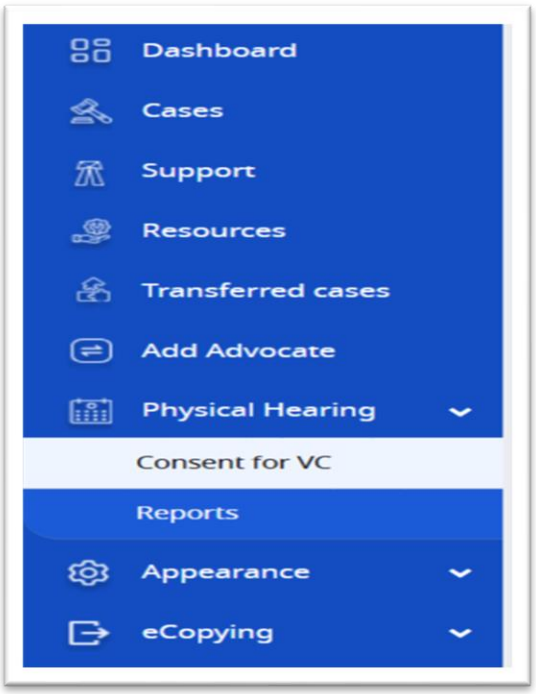

1. Select the Listing Date.

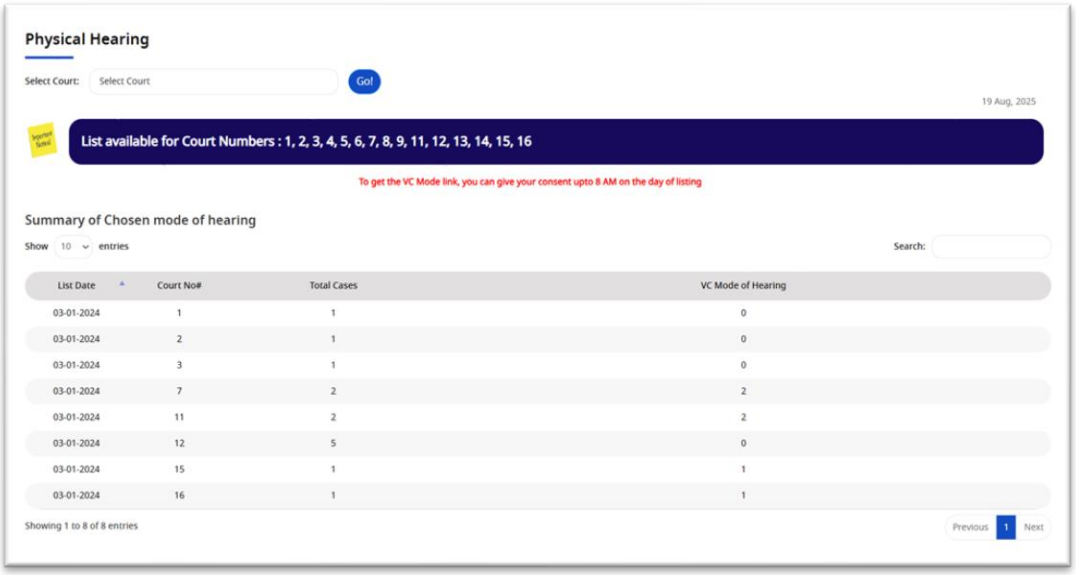

Physical Hearing (Hybrid Option)

To go to the "Physical Hearing" section, the user needs to open the side menu and click on the "Physical Hearing" menu option, then click on the "Consent for VC" menu.

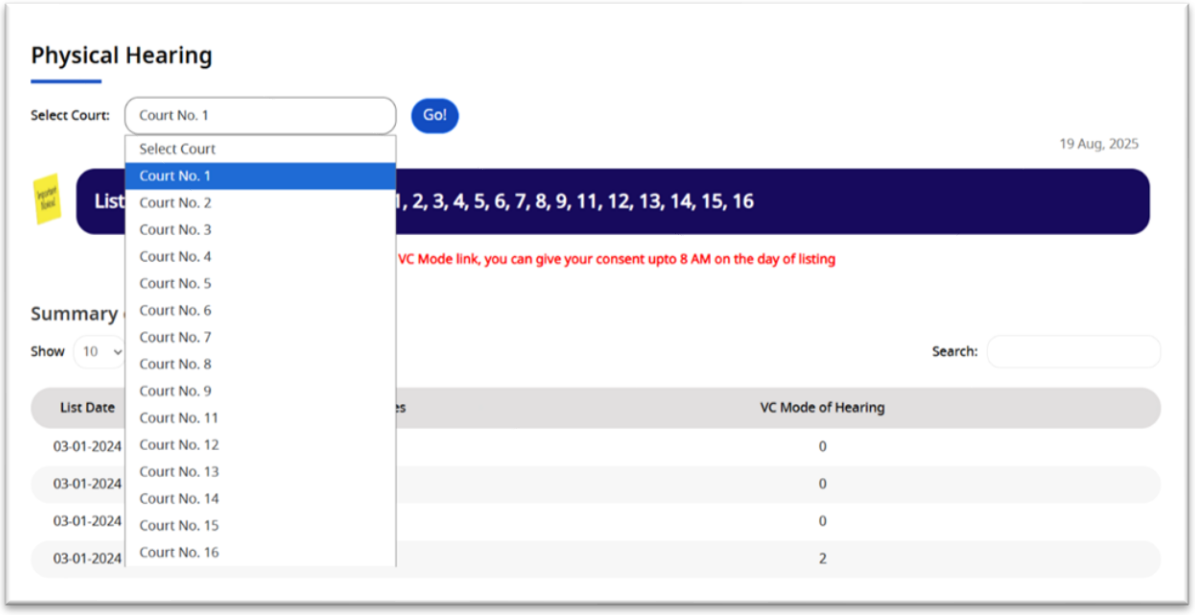

By clicking on the "Physical Hearing" menu, the user is navigated to the "Physical Hearing" page. On this page, the concerned Advocate-on-Record will see the details of their listed matters.

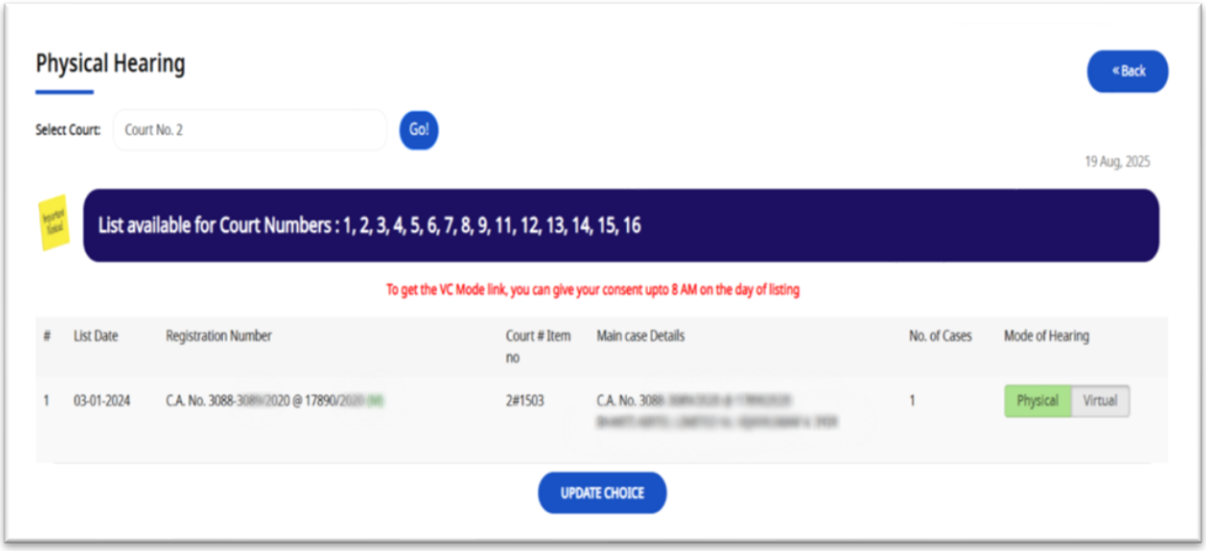

By default, the hearing mode for all matters will be "Physical."

Change Hearing Mode

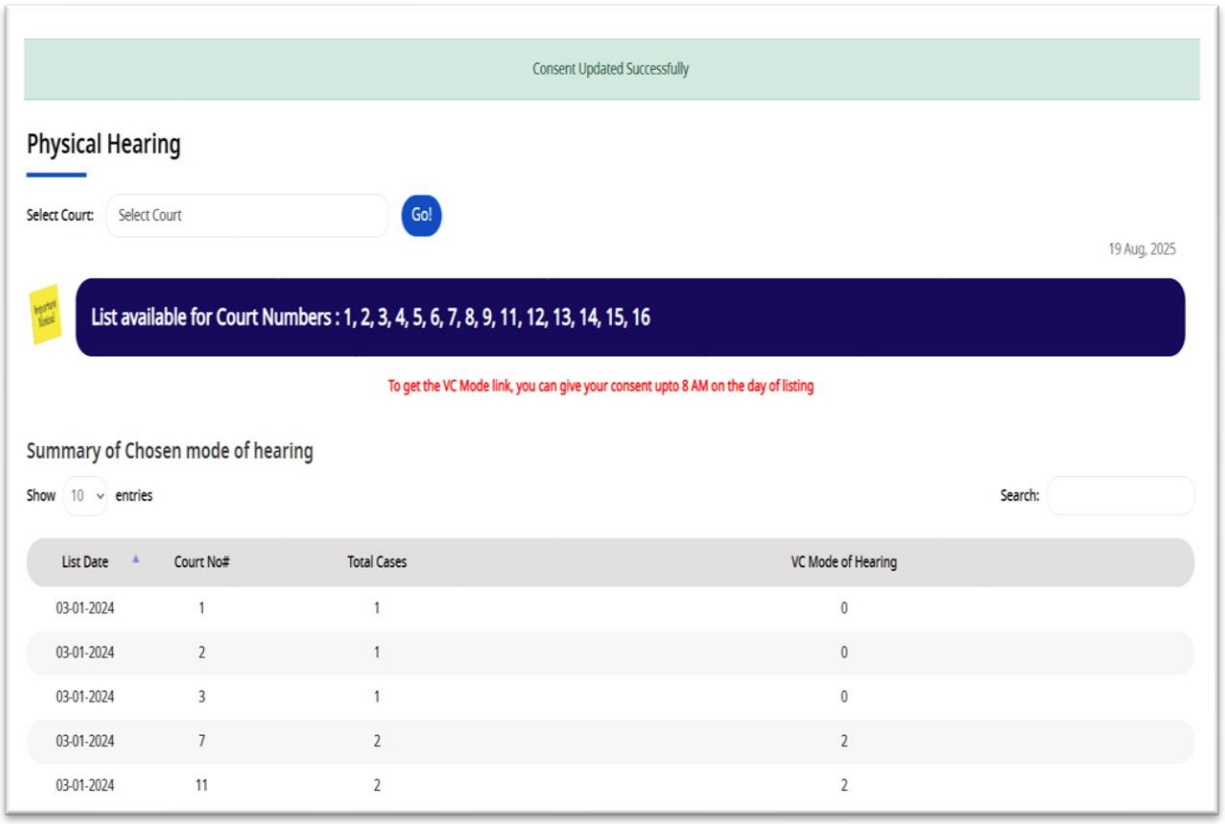

If the user wants to change the hearing mode, he or she needs to select the respective court from the drop-down menu and then click on the "Go" button.

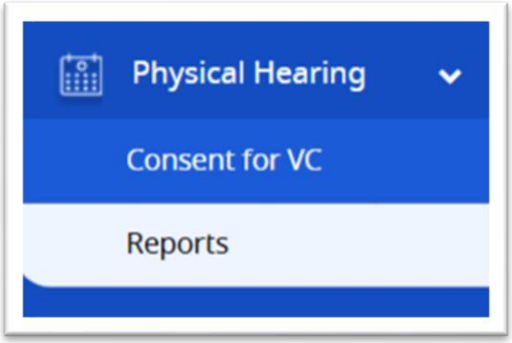

The Advocate-on-Record will get all the listed matters for the selected court. Now, he or she will be able to change the hearing mode of each case to either "Physical" or "Virtual" by selecting the appropriate option for that particular case.

After selecting the "Physical" or "Virtual" option for the respective case, the user needs to click on the "Update Choice" button, which will update the hearing mode consent for all the cases of the selected court.

Reports

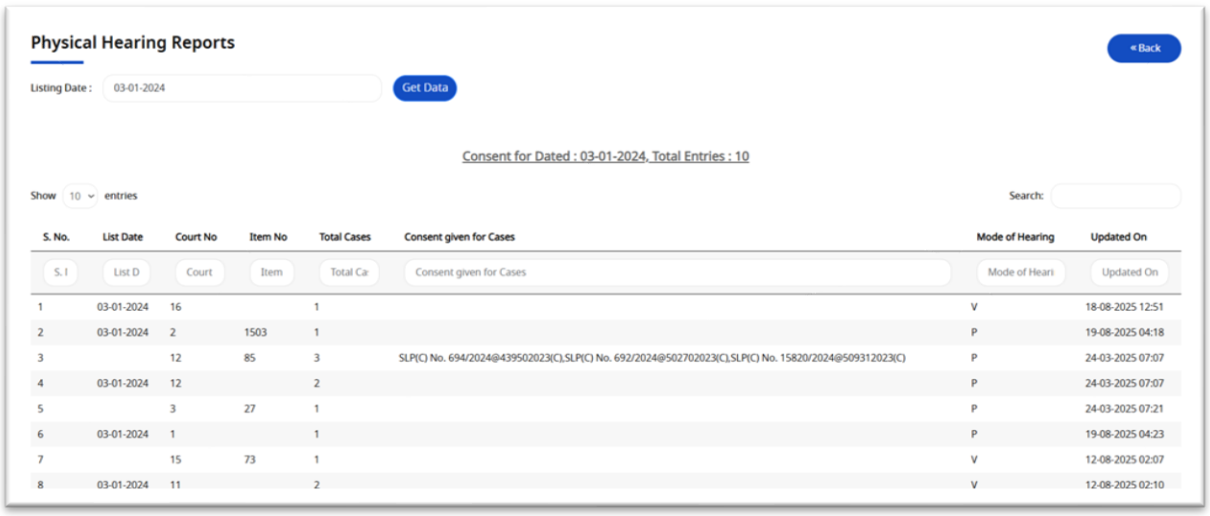

In order to check the information related to the hearing mode of the cases, the user needs to click on the "Report" menu from the side menu

Now, the user needs to select the listing date and click on Get Data button to check the hearing mode for those particular cases.

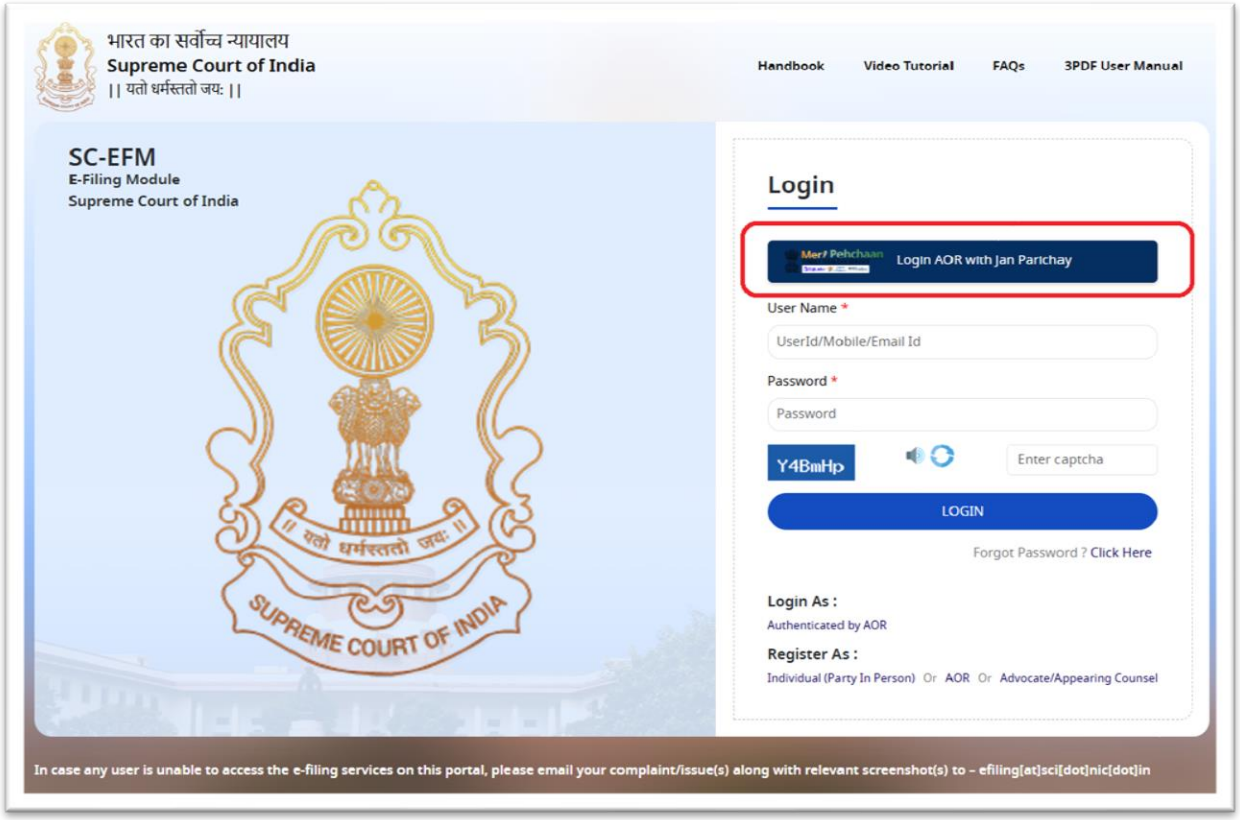

By clicking on the get data button user displayed a list of cases with changed hearing mode.

JanParichay

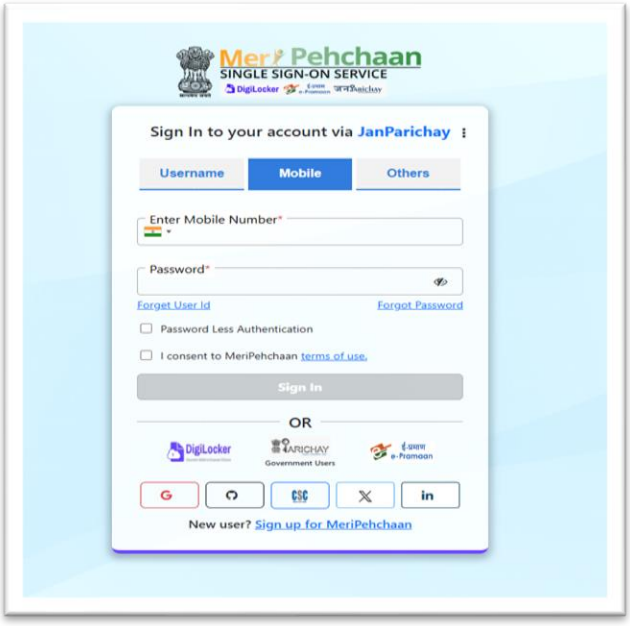

1. Accessing JanParichay from SCeFM 3.0 Login Page

- Navigate to the SCeFM 3.0 login page.
- Locate and click the **JanParichay icon** (typically displayed as a branded logo or "Login with JanParichay/Meri Pehchaan" button).
- This redirects you to the JanParichay login screen at janparichay.meripehchaan.gov.in.

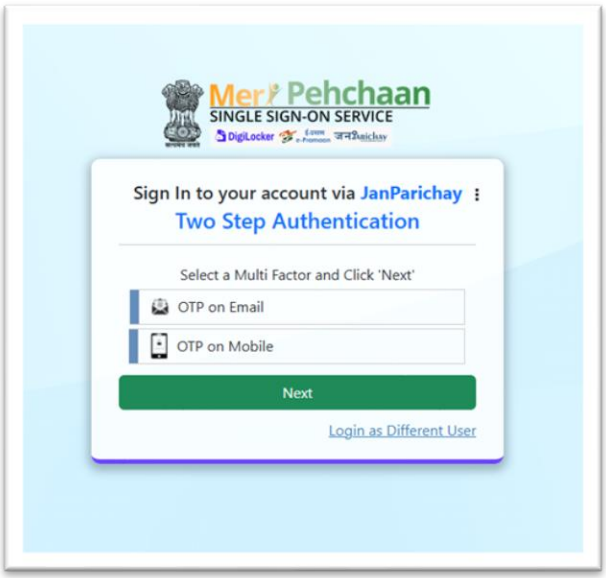

2. Selecting a Login Option

- On the JanParichay screen, choose **one** of the following primary login methods:
    - **Username**: Enter your registered JanParichay username (created during initial registration).
    - **Mobile Number**: Provide your linked mobile number (verified via OTP during setup).
    - **Other**: Use alternative identifiers like email, Aadhaar, PAN, or driver's license.

Step 3: Choosing Authentication Method

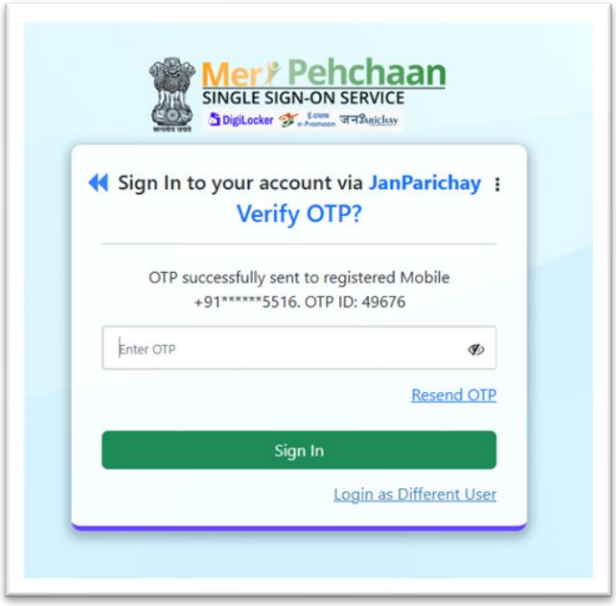

- After selecting your login option, you'll see secondary authentication choices:
    - **Password-Based**: Enter your registered password (default method for quick access).
    - **Password less Authentication**: OTP for this for enhanced security without remembering passwords.

Step 4: Password less Flow – OTP Verification

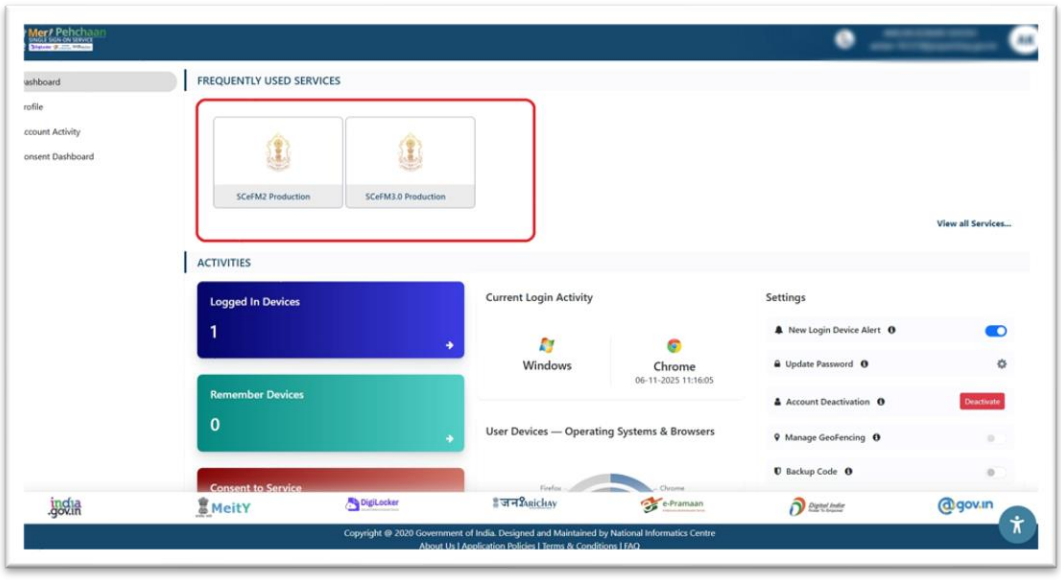

- If you select **Password less Authentication**:

- Choose **OTP on Mobile** (SMS to your registered number) or **OTP on Email** (to your linked email).
- An OTP (one-time password) will be sent instantly.
- Enter the 6-digit OTP in the provided field within the validity period (usually 5-10 minutes).

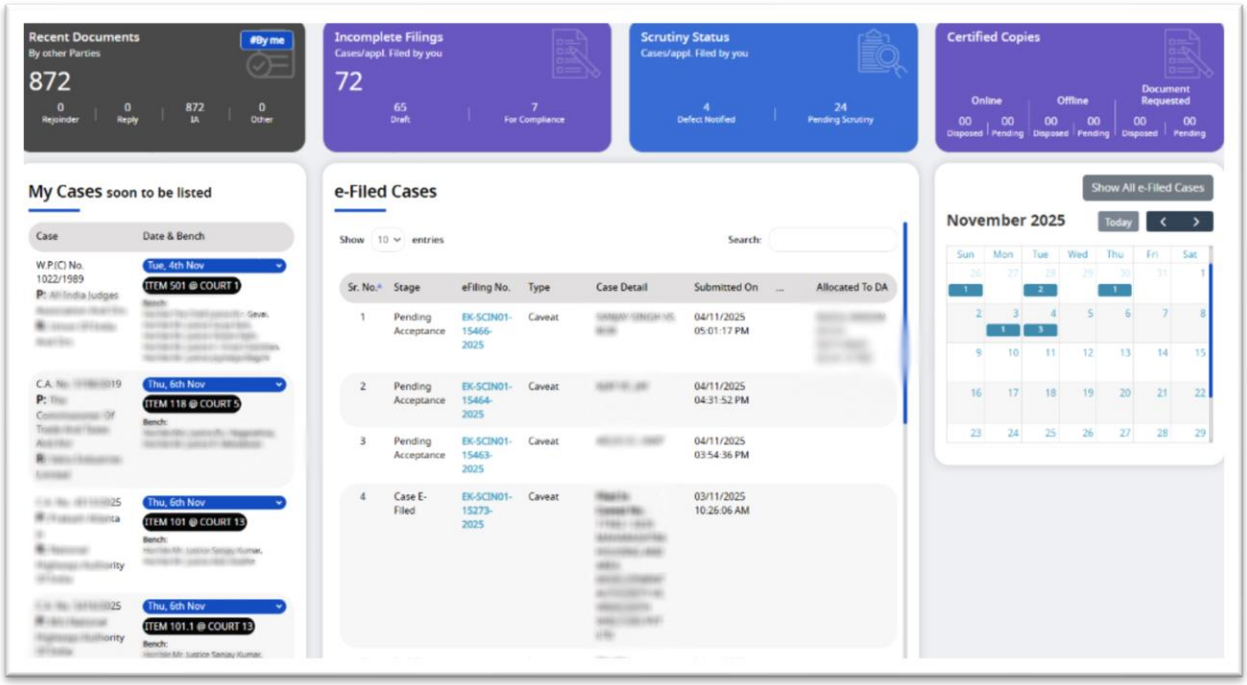

Step 5: Successful Authentication and Redirection

- Upon successful OTP/password entry, Jan Parichay authenticates your identity and authorizes access based on your service rights (no repeated logins needed during the session).
- You'll be redirected to the **Application Dashboard**.

- Here, look for the **SCeFM** Option.
- Clicking it navigates to full Jan Parichay functionality within SCeFM 3.0 Application.

SCeFM 3.0 – What's New

The new version introduces several functional and technological advancements aimed at enhancing the overall user experience, streamlining workflows, and supporting digital transformation within the Court.

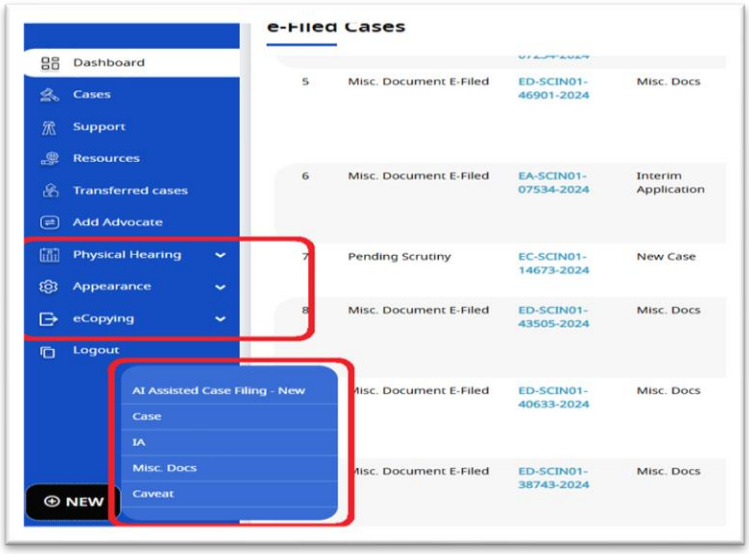

Key Additions

Centralized Login System

A single, unified login now provides seamless access to the following modules:

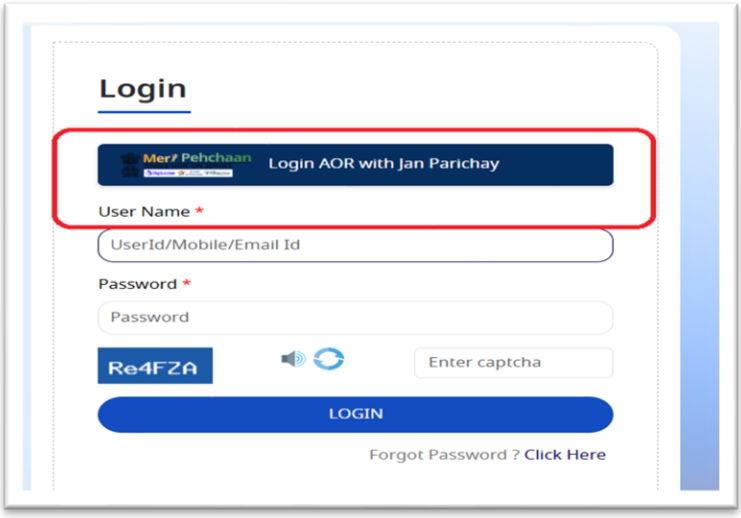

- e-Filing
- Appearance Portal
- Physical Hearing Management
- e-Copying

This eliminates multiple logins and simplifies user navigation.

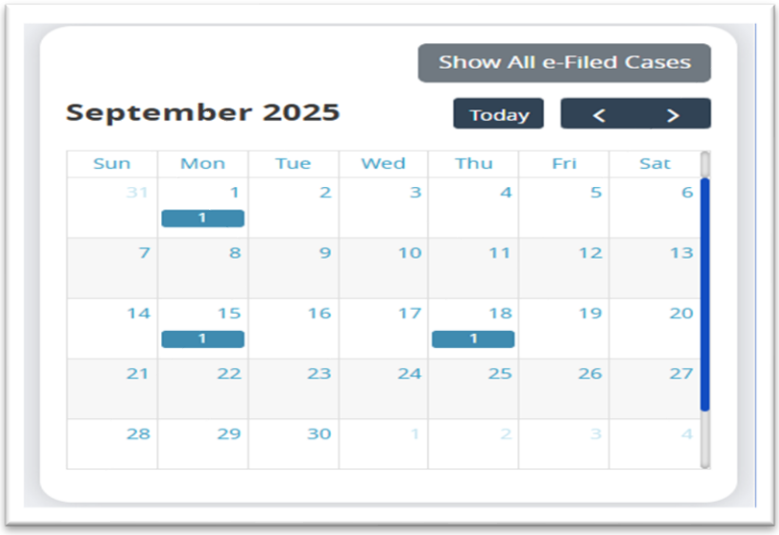

JanParichay Integration

The system is now integrated with the JanParichay (National Single Sign-On) platform for secure and centralized user authentication.

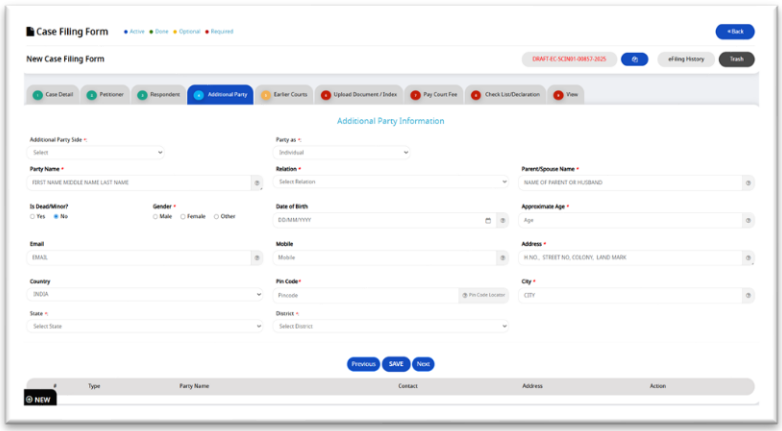

Case Calendar Feature

A Case Calendar has been added to the user dashboard. It displays the cases filed by e-Filing users, organized date-wise, to enable better planning and visibility.

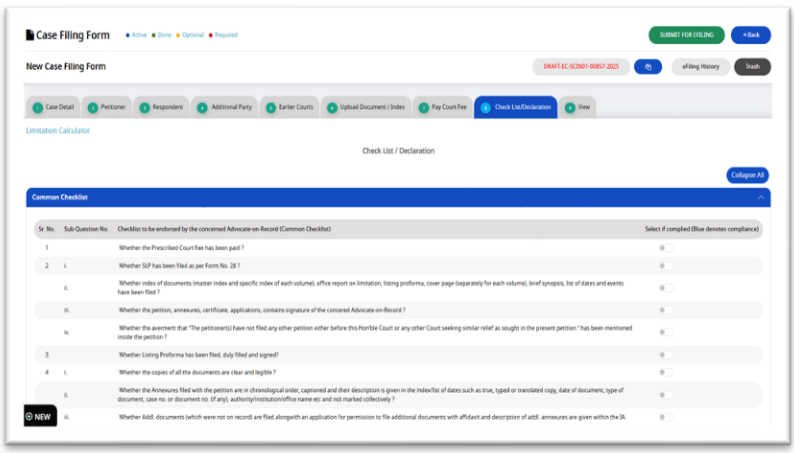

Additional Party Option

Advocates-on-Record (AORs) can now enter additional parties related to a case. This feature ensures faster and more transparent case filing.

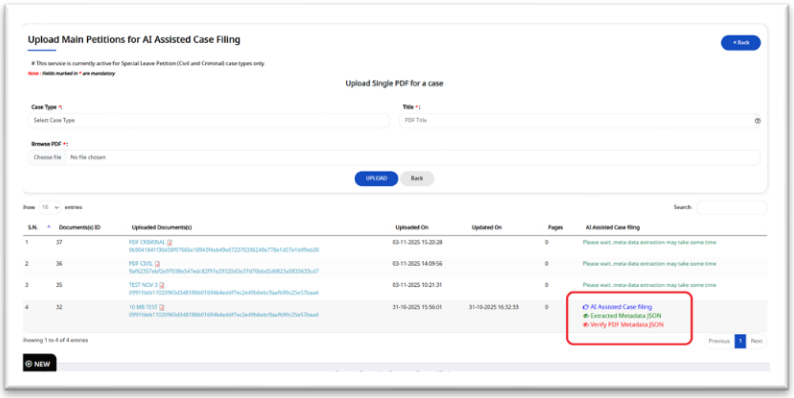

Case Checklist

A Checklist module has been introduced to ensure enhanced monitoring and compliance with established standards and procedures.

Enhanced AI for Case Filing

AI-driven case filing assistants can significantly reduce manual effort by auto-populating fields. Users should always check the accuracy of the data which is automatically entered within the respective fields during case filing before submitting the same.
